

The image shows the front cover of a book. The cover is a deep red color with a pebbled, leather-like texture. A large, dark red 'V' shape is embossed into the top half of the cover. A horizontal band, also in a dark red color, runs across the middle of the cover. This band features a decorative border consisting of two parallel lines with a dashed line between them. The title 'Red Raider 1962' is printed in a black, serif font on this band. The bottom half of the cover has a similar texture to the top, with a decorative element of several parallel lines radiating upwards from the bottom center.

# BOARD OF EDUCATION

LEFT TO RIGHT: Daleton Boswell, William Boswell, Glenn Gillet, Harold Leonard, President; Anna McLean, Secretary; Bryan Goodvin.

The Corning Board of Education directs the largest business concern in the community--an \$11,700,000 education project,

The Board's primary concern is that of policy-making to guide the personnel of the school--approximately 1300 pupils, 65 teachers, 25 non-teaching employees.

The school has been blessed with good board membership whose untiring effort has placed the Corning schools among the best in the State of Iowa.

Aside from policy making it is the duty of the board to supervise:

1. The operation and maintenance of the school plant.
2. To approve the purchase of all supplies and equipment.
3. The employment of all school personnel.
4. To improve the curriculum.

Under the correct guidance of the board, great strides forward have come in:

1. Increased plant facilities.
2. Better teaching personnel.
3. An expanded curriculum.
4. Teaching salaries.
5. Teaching aids and equipment.
