Around

CHS

There Is:

Achievement

Bookin' Bill

The truth is: They were just posing.

Peek-a-boo

Aw, come on, fellas

Foolishness

Bobby socks, knee socks

Frustration

"Who keeps changing the keys on me?"

Nebraska lost again.

"Boy, are my armpits killing me!"

And Relaxation

Now I lay me down to sleep.

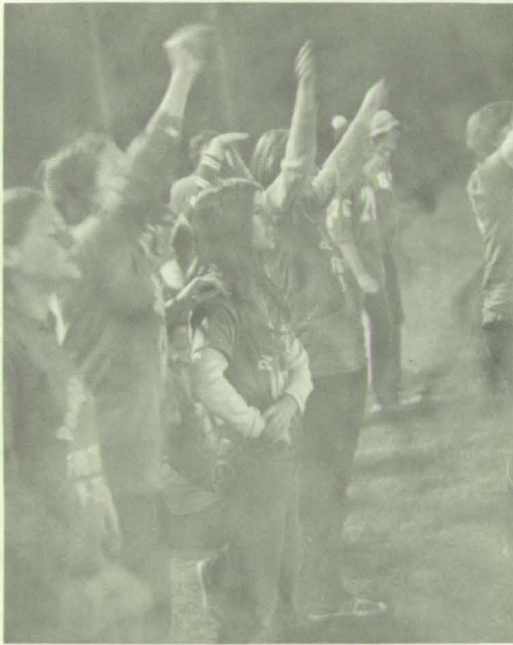

The Brain takes a rest.

"Who says I don't do any work around here?"

Do I get to keep it forever?

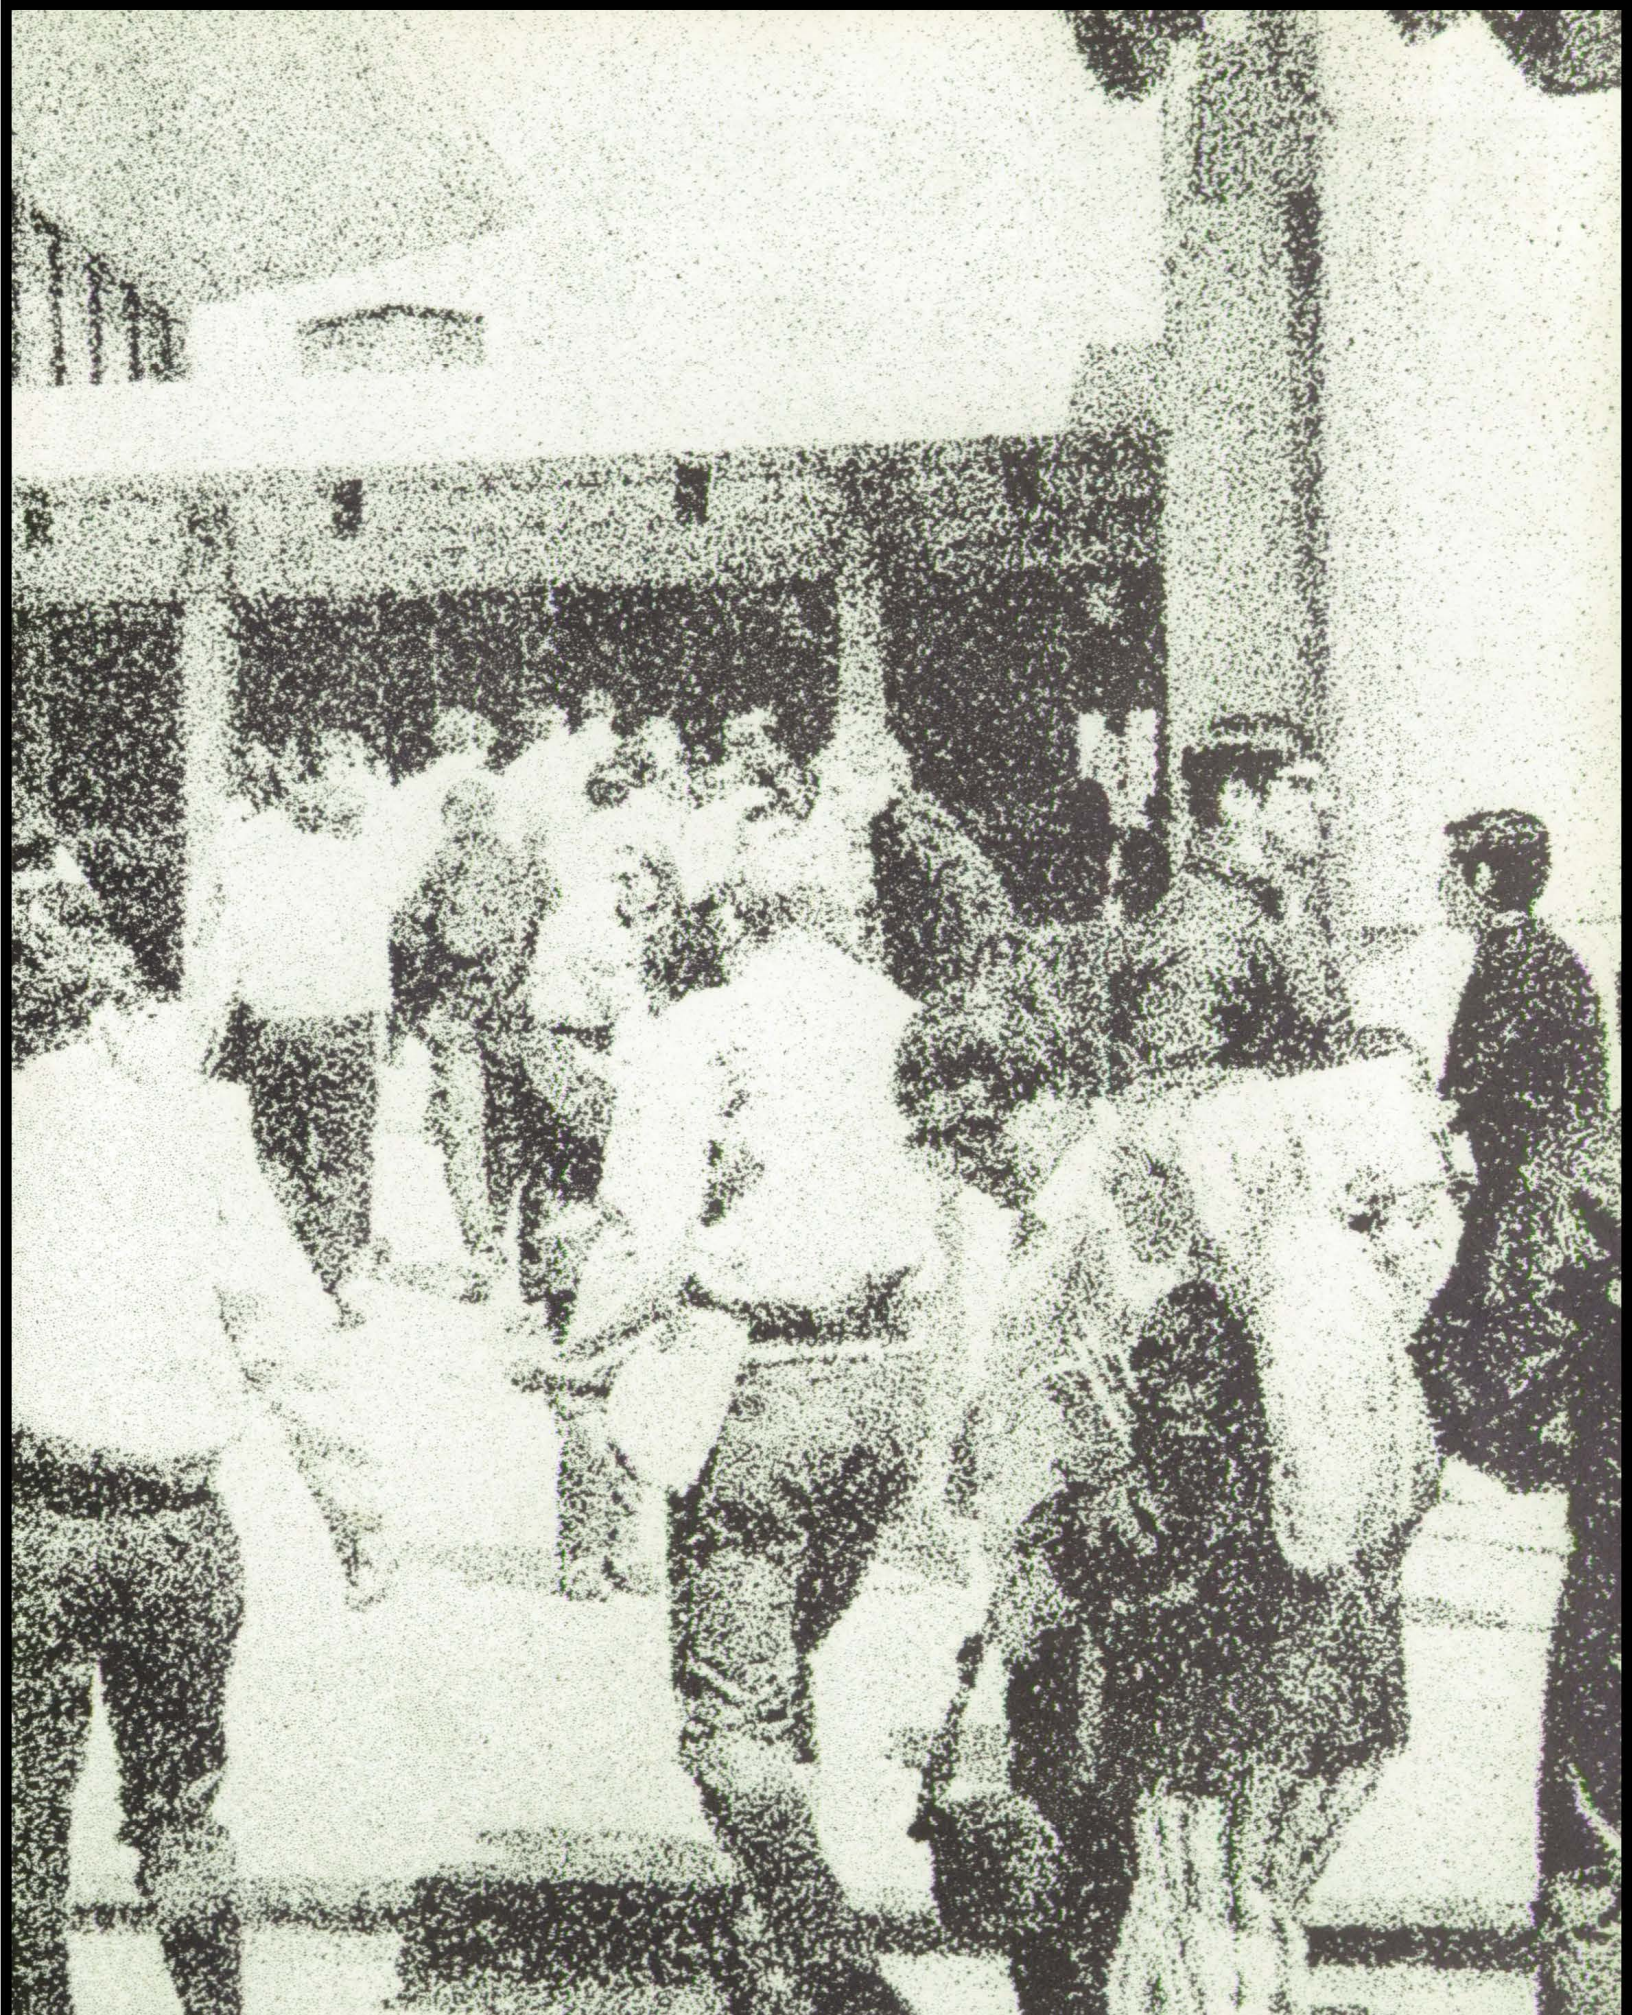

Charge!

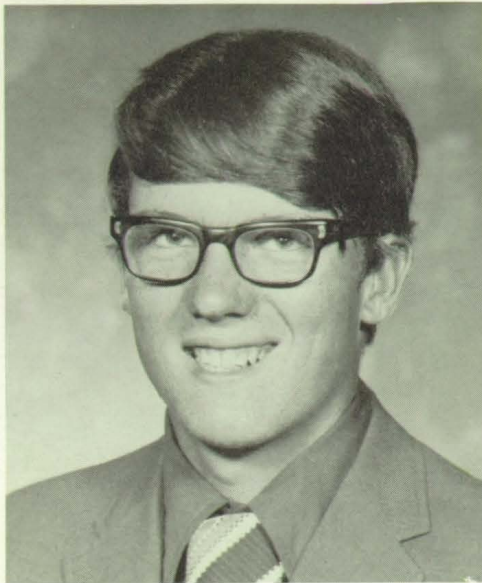

Anticipation

But one of my players wouldn't do a thing like that!

Being the largest organization in CHS, the Y-Teens have the will and power to do many things. From the Freshmen Welcoming Picnic the first week of school till the Mother-Daughter Banquet in May, the Y-Teens are very busy. The highlight of the year was the Powder Puff Football game and the crowning of the first Powder Puff King, Steve McClelland. Other activities included weekly visits to the nursing home and other community service projects, slumber party, cake and slave auction, nut sale and pizza party, pop and pie party, king of hearts dance and the crowning of Phil Fehrle as the 1973 King of Hearts, candy gram sales, and the progressive dinner.

FHA

"Decisions That Count," this year's theme was introduced to all district chapters when the Corning Chapter was host for the FHA fall district meeting. More than 200 district members attended the stimulating sessions.

The FHA addressed over 2,000 envelopes for the County Cerebral Palsy Campaign as one of their SERVICE projects. The other SERVICE project was providing a baby sitting service for local voters on election day.

MONEY Making activities included the annual bake sale and a chili supper.

A fun and EDUCATIONAL visit to Des Moines was enjoyed by all members. A tour of the Salisbury House highlighted the trip. The second EDUCATIONAL event was a thought-provoking talk on nutrition by Alice Shaffer, a county nutrition aid.

Serving as one of the SOCIAL events was a festive Christmas Party.

"But I've Only had twelve!"

FFA

The Corning FFA Chapter's activities are planned around the ten program areas of work which include: Supervised agricultural occupations experience, Cooperation, Community service, Leadership, Earning and Saving, Conduct of meetings, Scholarship, Recreation, Public relations and State and National Activities.

The chapter hold three summer meetings, one of which includes a Watermelon feed for the incoming freshman. We had one member usher, Randy Olive, at the state fair and our livestock judging team received a silver at the State Fair.

We held a hayride in September and approximately 63 members attended. Tractors were furnished by boys and local dealers. Our Slave Auction averaged \$13.50 per slave. This was held in front of the bank on October 2. The September 30 chapter sold fruit for their other major fund raising event. Funds were used to help absorb costs of local, District, and State activities. The major expenditure is our FFA Parent-Son Banquet and the awards that are given.

We sponsored one dance which is an annual event or Harvest Ball; Leslie Harris was Queen. Nine members attended the National FFA Convention in Kansas City. We sponsored an FFA Basketball tournament this year also.

During National FFA Week we held our annual officers and faculty breakfast. We handed out several brochures on FFA and Vocational Agriculture. This year junior FFA officers and a representative from each class attended our breakfast.

Sub-District and District contests were held in February and in March this year. We had entries in Creed Speaking, Parliamentary Procedure, Public Speaking, Extemp Speaking, and Welding.

The chapter members assist the athletic department in cleaning up the football field, bleachers, moving mats, and assisting Mr. Harris when he needs help. It is hoped that the boys will have a greater appreciation of the work involved in sponsoring these activities.

We had over 200 members and guests this year at our annual FFA Parent-Son Banquet, held in April. Certificates of appreciation went to Anna McLean and Marg Downard.

This year the Club has been going out to the Nursing Home with the Y-Teens, and singing for the residences. We also sent games to the County Home at Christmas. Four of our members are district officers. Steve Heffle-finger is 1st Vice President, and Dennis Downard is Chap-lain. Dennis Hendrickson and Mark Lawrence are district representatives. In the Spring we attend the Co-ed Confer-ence which is the climax and end to the Hi-Y year.

The Hi-Y Club this year consists of 16 members. The officers are Dennis Hendrickson, President; Howard Bergman, Vice President; Mark Lawrence, Secretary-Trea-surer; Steve Hefflefinger, Chaplain; Dennis Downard, Stu-dent Senate Representative.

The Coming C-Club presented a new look this year. In the past it had been an all boy club, but this year by demand, the girls were allowed to become a part of the club. The same rules were applied, those who obtained a varsity letter could voluntarily become a member. It's definitely a BETTER LOOKING group now.

The C-Club followed in the tradition of the past few years and sold the Tom Watt gift package. The mem-bers with their Tom Watt suitcases, disguised themselves as door to door salesmen and salesladies and went around the area pawning off their goods. They must have had some pretty good pitches or sob stories because the sales were very profitable.

It is in the planning stages for the C-Club to sponsor a basketball game and a supper for the members of the club.
