ROTARY EXCHANGE STUDENT

Host family: Phyllis and Stanley Brokaw with Fred.

Fred De Jong

I am from Wellington, New Zealand and I am here on a one year Rotary Student Exchange scholarship. I am living at present with Stanley and Phyllis Brokaw. My host family and everyone in Corning are doing everything possible to make my stay here as beautiful as possible for me and the community.

I come from a city of 330,000 people. My parents and my 16 year old sister live in a suburb of 13,000 people about 6 miles from the city center. My father is an accountant and my mother is a bookkeeper.

I come from a high school of 450 students where my sister is now a senior. When I go home in January of 1976, I will go to the University and study for a degree in mechanical engineering. I should complete this in 5 years with a bit of luck.

So far my time here has been most exciting and the reason for that is the true interest and friendship that I have found radiating from the school and the community. Let me assure you that when I leave here, I will take all of my experiences with me and remember them for the rest of my life.

JUNIOR-SENIOR PROM SHOWBOAT

MAY 10, 1975

TO THE SENIORS

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun
We're very glad to know you
