SENIORS, CLASS OF '76:

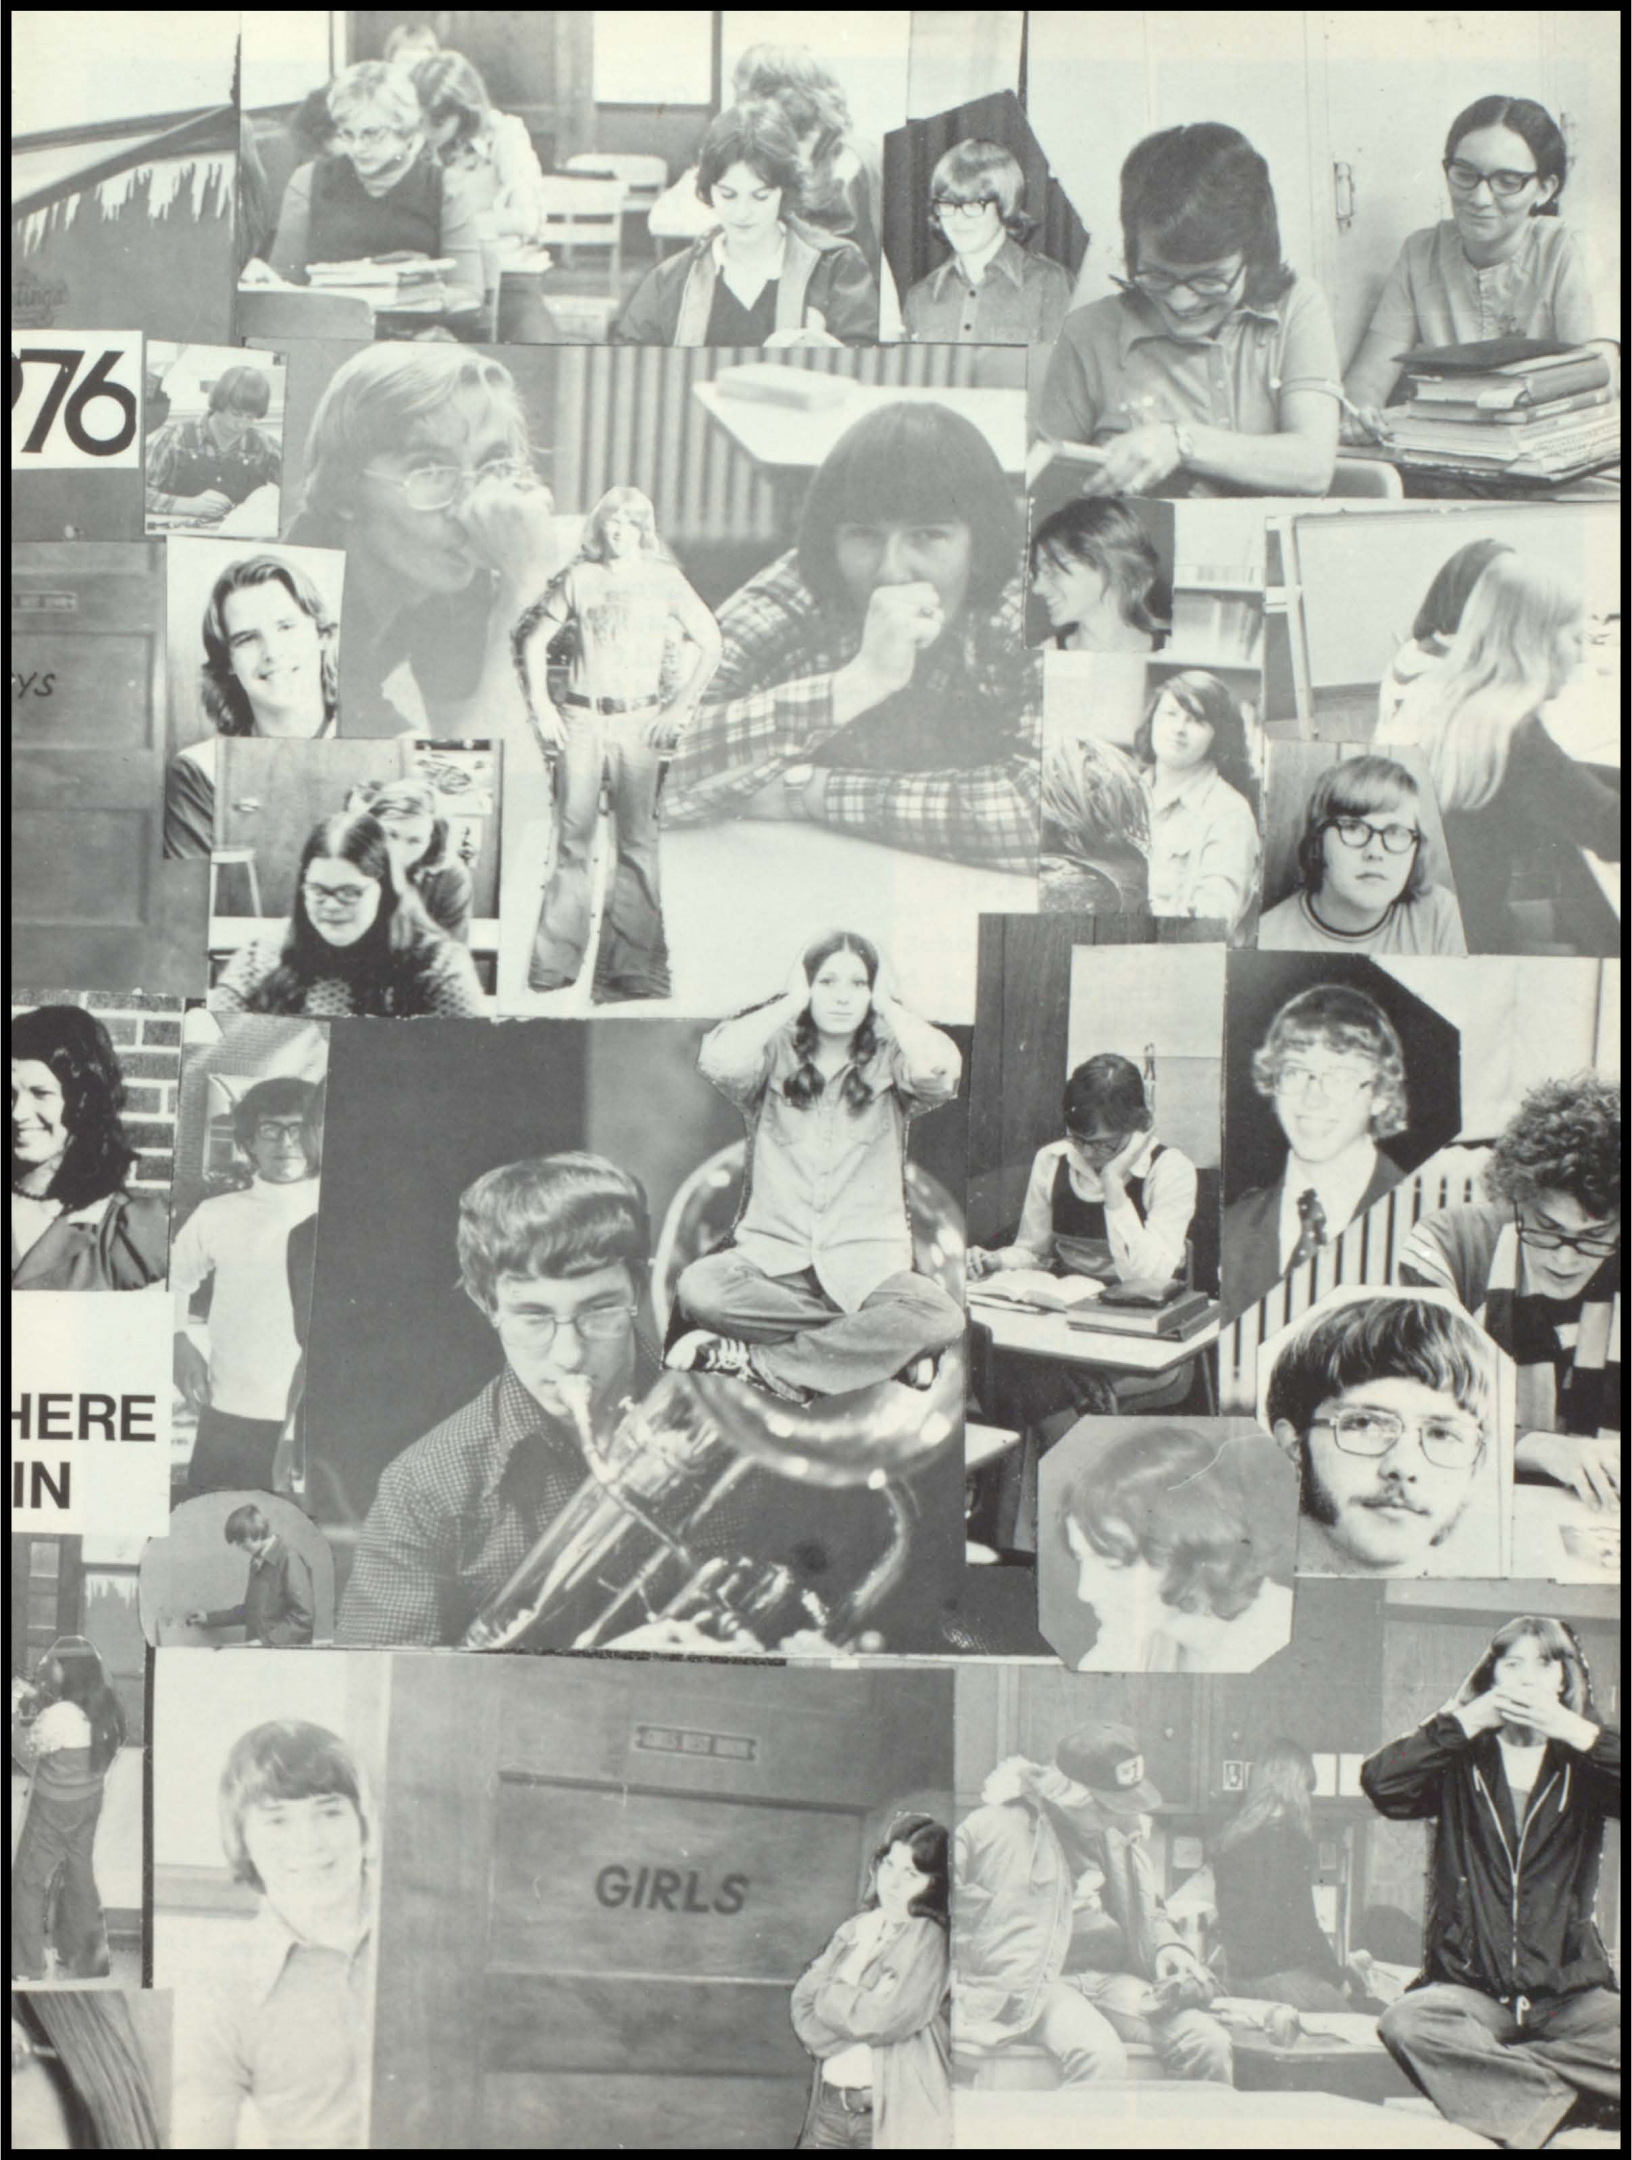

I THINK THIS IS W WE CAME

Did you ever have one of those days when nothing seems to go right?

I know just what you mean. I feel the weight of the whole world on my shoulders today.

IN MEMORY

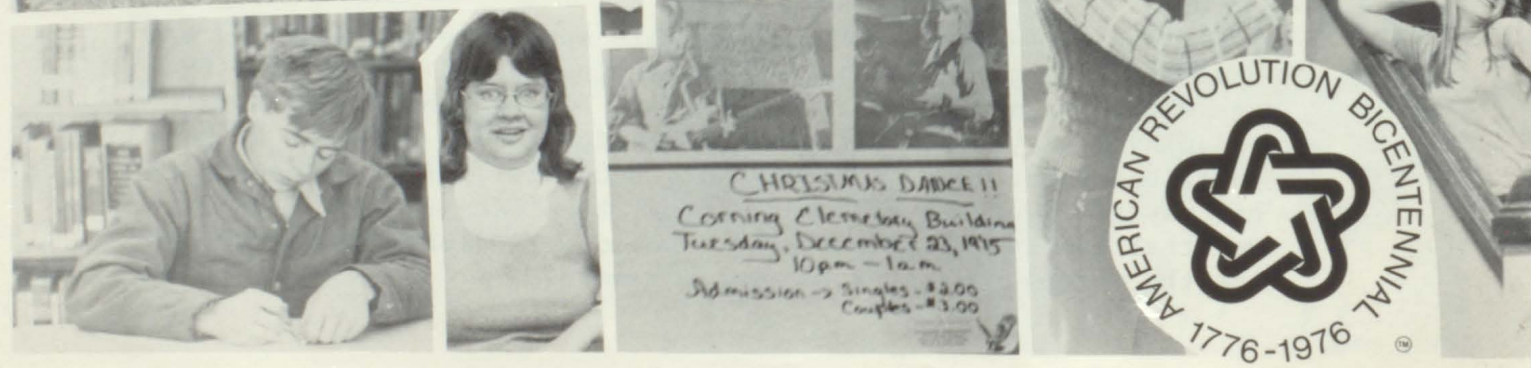

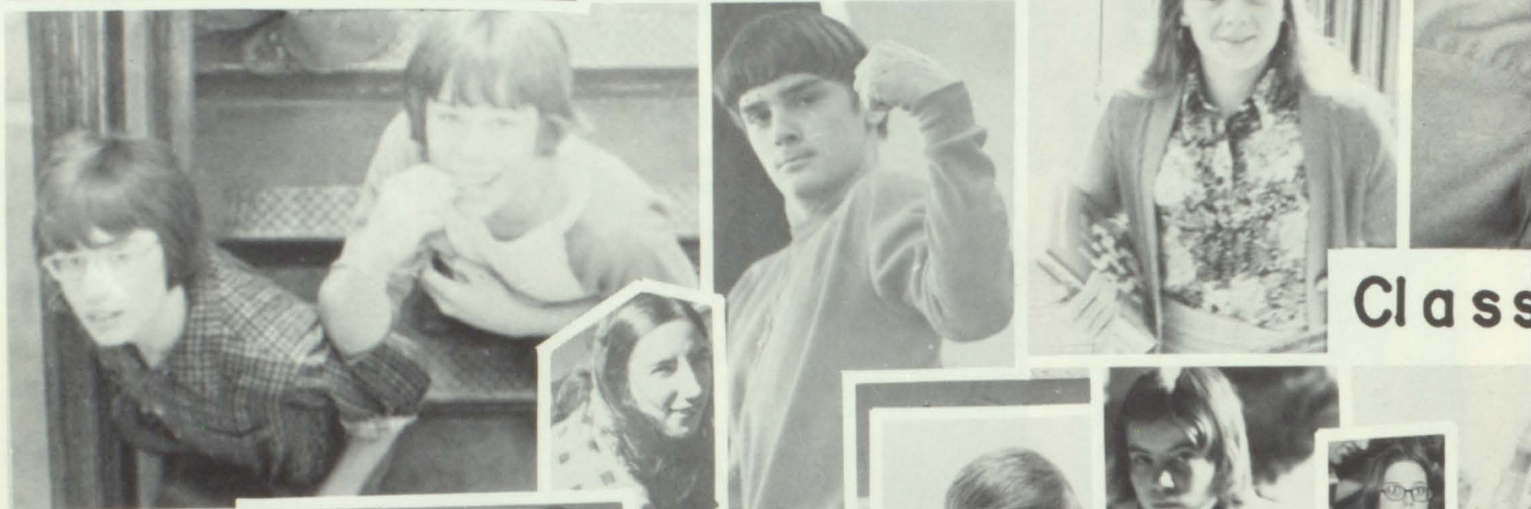

DAVID DEAN HILL

Oct. 12, 1957

July 27, 1975

Though the total years of David's life span were not many, as we usually measure time, his zest for living caused him to pack the years full of many varied experiences. David worked very hard and played very hard. Though mischievous and a jokester of nature, David was also sensitive and thoughtful; often going out of his way to be considerate and helpful to others in such a quiet way that few ever knew about it. David will always be missed, but the memory he left will always remain.

FOREIGN EXCHANGE STUDENTS

Fred deJong from Wellington, New Zealand, spent the Spring and Fall semesters 1975 at CHS as a Rotary Exchange Student. Fred lived at the Stan Brokaw and Jim Shaw residences. While he was here, Fred was on the Honor Roll, Self-Sup, belonged to C-Club, Annual Staff, and was on the football team. Fred returned home in January, 1976, and is studying for a degree in mechanical engineering.

Thank you. Most Sincerely,

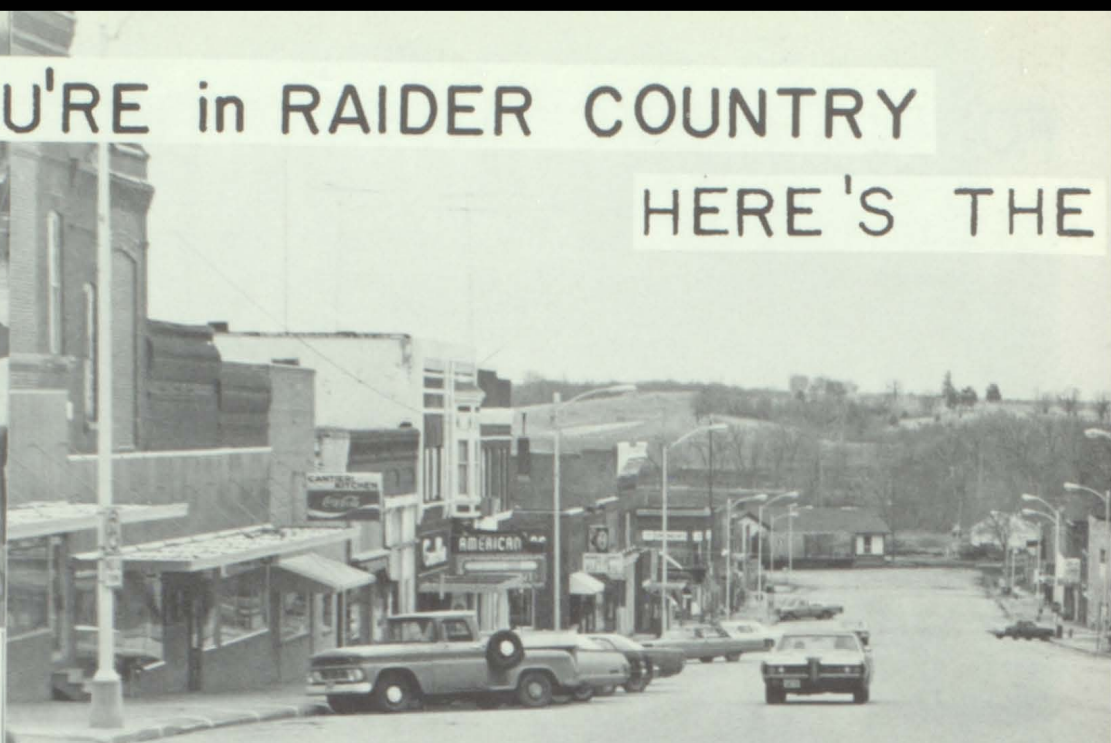

LEONOR RIVAS A

I am Leonor Rivas from Arica, Chile. I'm here to participate in the "Youth for Understanding" scholarship program sponsored by the Rotary Club. I think in this way I can learn about another culture, the English language, the people, and the United States. I think this is the best way of uniting the countries. I learned from an American student in my school about America and how democracy works. My family is a united family and we are Catholic. I'm proud of my parents. They have taught me about life, guiding me along the road of love and respect. We live in the city, but my father, an aviculturist, works in the country. I have one older sister who's studying to be a bilingual secretary at the Catholic University at Santiago, the capital of Chile. I have a younger brother who's a seventh grade student at an elementary school. Arica, a city of 90,000 people, is known as the city of eternal spring. When I return to Chile in July 1976, I will be taking the second semester as a senior and graduate in December. I will enter the University to study medicine (obstetrics) or the profession of English interpreter. I am fortunate to be living here with the Donald Hogan family for whom I have an immense love. They are a wonderful family and have done everything possible to teach me English and to make my stay here pleasant and fun. I am glad I have been able to be an ambassador from my country and to represent the Chilean youth. I am glad to have known the friendly people of Corning. I am sure this will help later as a base of knowledge and maturity. I give infinite thanks to God, my beloved Chilean family, my North American Hogan family, Corning High School, and the people of Corning who have helped to give me this lovely experience.

The 1975 Powder Puff game, Oct. 7, pitted the sophomore-senior team, THE SCABETTES, against the freshman-junior team, DAZZLING DAMES. The evenly matched teams fought valiantly to a 0-0 tie at the end of regulation time. The overtime period proved to be the most exciting. THE DAZZLING DAMES marched ten yards for the score but missed their two point conversion. THE SCABETTES turned around and met the challenge by scoring on their first drive. With the pressure mounting, THE SCABETTES were able to overcome THE DAMES' defense for the two points and won the game, 8-6. Chuck Long was crowned Powder Puff King and reigned over the dance, held Oct. 10.

This year's annual staff was composed of many hard-working and devoted members, along with a sponsor who was concerned enough to get this annual off the ground—Mrs. Lenz. 1976 was a very special year and our goal was to make a very special annual. This annual was the best we could put together and we hope that it will be a special annual to you, the school. Many thanks have to go to Mr. Lenz and his media classes, because without their help we could never have put this annual together. We the co-editors, Patty Linn and Debbie Keever, would like to express our appreciation to all of the hard-working students, Mr. and Mrs. Lenz, and the school for making this what we feel is a super annual for '76.

---RED RAIDERS DO IT AGAIN---

In 1975, Red Raider opponents found CHS with its usual strong baseball team. With a mighty pitching staff of Blaine Oglesbee, Doug Wilson, Randy Lee, and Mark Grundman, and the big stick of Jeff Mallas, Corning again easily captured the Conference Crown with a 10-2 record. At its own Fourth of July tournament, Corning placed second, downing Red Oak 4-2 and losing to Burlington JV 5-1 in the finals. In sectional competition held here in Corning, the Red Raiders took victories over Lenox, Clearfield, and Grand Valley to place first. In district competition, however, Big Red had its State Tournament hopes crushed by Elk Horn-Kimballton 5-1. All in all, Corning enjoyed a fine season with a respectable 21-7 overall record.

CONFERENCE

The 1975 Red Raider football season started off with a real sudsy bang. Both teams were evenly matched but the final score ended with the Rain on top. The opening game of the season pitted the roaring Tigers of Griswold with the Red Raiders. By the end of the game, Big Red had taken out all of the roar and left the Tigers purring. The contests to follow proved the Raiders a tough and top notched opponent. Our Homecoming victory was big and sweet as the Raiders defeated long time rival and top rated Villisca Bluejays. In the end, Big Red came out of the balanced Tall Corn Conference with an impressive record of 4 wins and 2 losses. The overall record gave the Raiders a winning season compiling 6 wins against 3 losses. Many Raiders were also represented on All-Conference lists. They were:

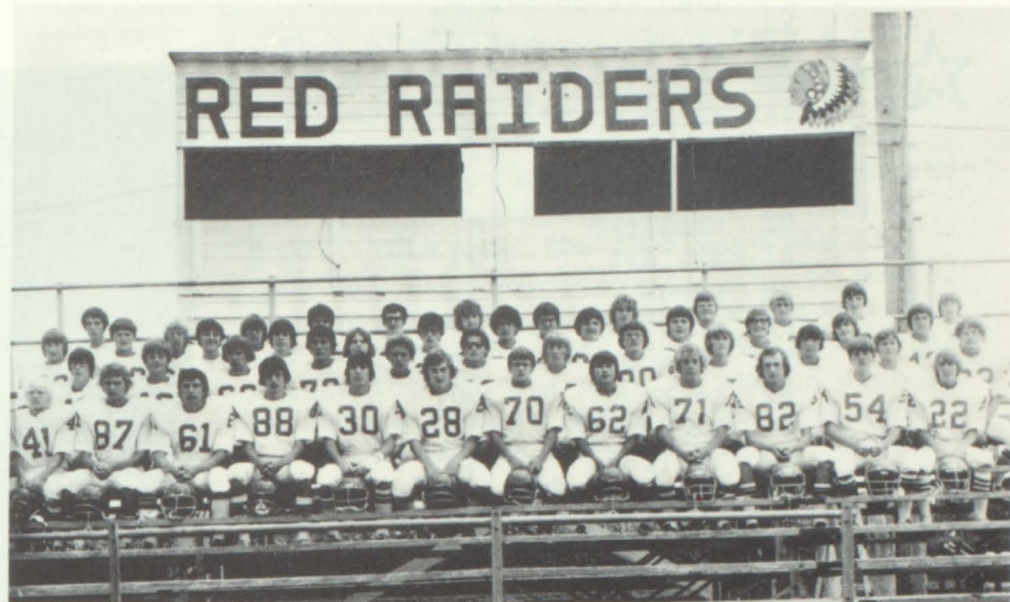

- SENIORS: Tom Briles, Tom Cooney, Gary Boswell, Ed Cerven, Mark Grundman, Dave Mooney, and Jeff Mallas.
JUNIOR: Don Kragel.
SOPHOMORE: Shamus McDonough.

A special congratulations goes to Tom Briles for being chosen a first team all-state linebacker in Class 2A.
Coach Hurley and Big Red should be proud of their fine season, and they represented Corning High well this year.

BASKETBALL

BOY'S BASKETBALL

They always say you can't tell a good book by its cover. But with this year boys basketball team one look could tell it all. Each year since Coach Stielow has been here the team seems to build the ladder higher and to that one ultimate goal. This year the challenge was the toughest step yet-----the step to State. But this was only a minor technicality for Coach Stielow and the Raiders as they rolled through the regular season with a record of 15 wins and 2 losses and took each rung of the tournament trail with the confidence and esteem of a state bound team. The Raiders then reached and overtook the challenge set before them and did what no other Red Raider team had done before them. Coach Stielow and his team of senior experience and youthful enthusiasm stunned sports casters and excited the crowds all through the tournament. Number two is not so bad when 364 teams started the long road at the beginning. To Coach Stielow and the Raiders we congratulate and commend you for your outstanding sportsmanship. We are proud and grateful to all of you for giving us so much to remember.

CAMELOT

WELCOME TO CAMELOT

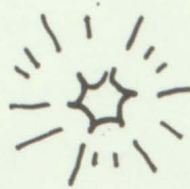

The year has flown so quickly,
Now it's almost through.
Seniors will soon be leaving
For adventures new.

In September, the days stretched endless.
By January, halfway done.
Then February, March, and April,
Now May has finally come!

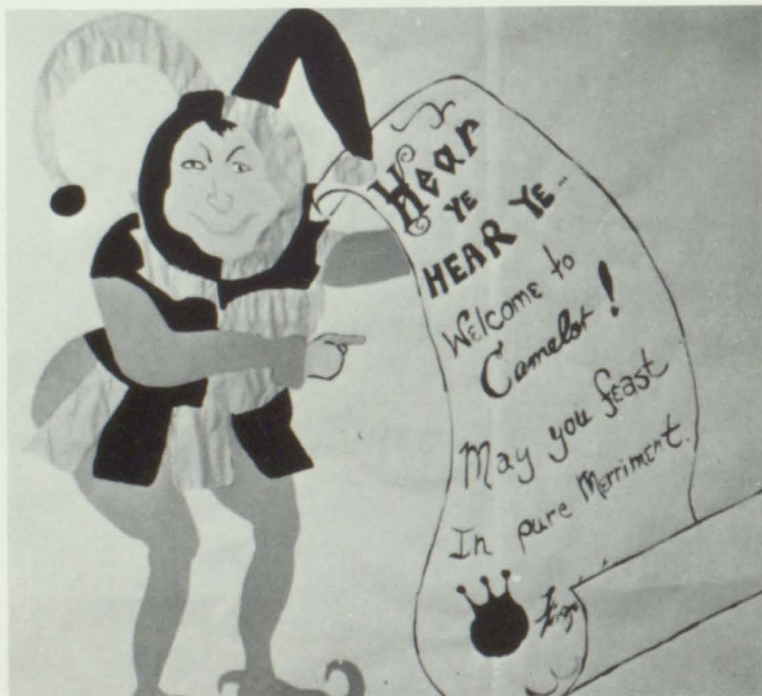

The unknown prods us forward.
The familiar tugs us back.
And Class of '76 next year
Your presence we'll miss and lack.

So now it's time for Prom,
Though friends soon may be apart.
But these memories of tonight
We'll cherish in our heart.

The preparation of THE 1976 RED RAIDER MIRROR was "camera-ready" --that is, the planning, the graphics, the typing, most of the photography and development of pictures, and the paste-ups, were student and faculty prepared. As the pages were ready, they were sent to the publisher who photographed, printed, and bound this annual. This method offered a unique learning experience for all those involved. We hope you will enjoy this pictorial history of our 1975-1976 Bicentennial school year.
