Hi, my name is Joao Lapa and I came from Porto Alegre, Brazil. I'm attending the Youth for Understanding for a six months program.

I graduated here in Corning, so, when I go back I'll study business administration in the college.

I enjoyed very much my stay here in Corning which helped me not to miss my sister and my parents. I would like to thank Corning High School, the Corning community and my host family, the Elliotts, for the very good stay that they gave me. What I more appreciated is the friendly people of Corning and their ways.

Once more, thank you for all.

ANNUAL PANIC

'Twas the day before deadline
And all was not right
Not a creature was stirring,
Not even a mite.
We editors screamed
At the top of our lungs,
"Sponsor! Dear sponsor!
What can be done?"

We can't find the pictures,
The photographers are gone,
The dark room is flooded--
This just can't go on!"
Late into the night
We worked (until day),
Got the annual finished,
And sent it away.
