RED RAIDER REFLECTIONS

Time has come once again
to press us on,
leading us to new directions,
we all must carry on.
But the past is for a reason--
it gives us good times to share.
We must reflect on what we learned--
That is the purpose of the
RED RAIDER MIRROR...
And so we present to you
this book of memories.
Let it serve as a mirror,
reflecting what we were.

REFLECTIONS OF THE WORLD..During 1982-1983 we saw the end of M*A*S*H and the "Return of the Jedi". Our hearts were touched by a little creature named E.T. and the courageous spirit of Barney Clark, the pioneer of the mechanical heart. We wondered about the sanity of mankind as cyanide appeared in Tylenol capsules killing several, and the nuclear weapons race continued. We saw the end of "The Who" and the beginning of the "Stray Cats" and "Men at Work". Unemployment soared and so did the stock market. We applauded "Gandhi" and Tootsie", and hissed as the National Football League went on strike. Gas prices wavered just over a dollar a gallon, so we sat home and watched "Winds of War", and "The Thorn Birds"--TV mini-series. The election of the year was the Chicago Mayor election which Harold Washington won. As a whole, 1982-1983 was full of new challenges and new adventures, and if nothing else-- we learned how to better ourselves and the world.

National Honor Society

Row 1: Wendy Cline, Mary Avila, Tom Cruise, Marta Neill, Linda Maeder, Cindy Cline. Row 2: Sharon Barnes, Kendall Roberts, Jeff Suntken, Amy Willett, Teresa Phillips, Diane Cerven, Tracy Burroughs.

The National Honor Society was formed by the National Association of Secondary School Principals in 1921. Corning has had its charter since 1938 and has had membership every year since then. The Corning High School faculty, by electing candidates for membership, honors their attainments and recognizes the promises they offer of excellence.

To become a candidate and eventually a member of the National Honor Society at Corning High School, the first requirement is to be in the upper one-third of the class. The faculty then in secret ballot recommends students based on Leadership, Character and Service to school and community. No more than fifteen per cent of a class may be chosen.

This is considered the highest award bestowed upon Corning High School students by the Corning High School Faculty.

STATE OF IOWA SCHOLAR

A certain percentage of top-ranking Iowa students, as determined by the Iowa College Aid Commission, are designated State of Iowa Scholars. This year four Corning seniors were designated this honor; Amy Willett, Patty Mullen, Mary Avila, and Jeff Suntken. All candidates are scored and ranked academically on the basis of percentile class rank and ACT scores (class rank=60% and ACT=40%).

Homecoming

Homecoming candidate Julie Bogue with escort Chris Moulton.

Homecoming 1982 was full of 'arcadia' excitement with video games as its theme. Pac-man and Space Invaders raided Adams County as Corning shut out the Bedford Bulldogs 22-0. There was Hat Day, Hobo Day, Jersey Day, Red and Black Day, and Backwards Day. We beat upon the blue Bull Dog Car and the traditional pep rally and bon fire were full with Raider Fever. Labyrinth played at the dance as good times and cheer started out the year.
