NATIONAL HONOR SOCIETY

The National Honor Society was formed by the National Association of Secondary Principals in 1921. Corning has had its charter since 1938 and has had membership every year since then. This award is given by the High School faculty and is considered the highest award that a student can achieve. To become a candidate and eventually a member of the National Honor Society at Corning High School, the first requirement is to be in the upper one-third of the class. The faculty then in secret ballot recommends students based on leadership, character, and service to school and community. No more than fifteen percent of a class may be chosen. This year two juniors and four seniors were chosen.

Row 1: Terry Leulf, Debbie Bennett, Heidi Hayes.

Row 2: Natalie Neill, Dick Anderson, Conrad Wilkinson, Karen Beemer, Bruce Burroughs(NP).
