STUDENT LIFE

There's Always . . .

Rollercoaster highs and lows — that just about sums up the year. Things were partly wonderful, partly terrible. Isn't that what school's about?

Something To Talk About

So we talked (sometimes yelled), and we discussed (sometimes rebelled), and we got plenty of things accomplished.

Maybe we just wanted to be remembered after we were gone.

Maybe we just wanted to be heard.

So we talked (sometimes yelled), and we discussed (sometimes rebelled), and we got plenty of things accomplished.

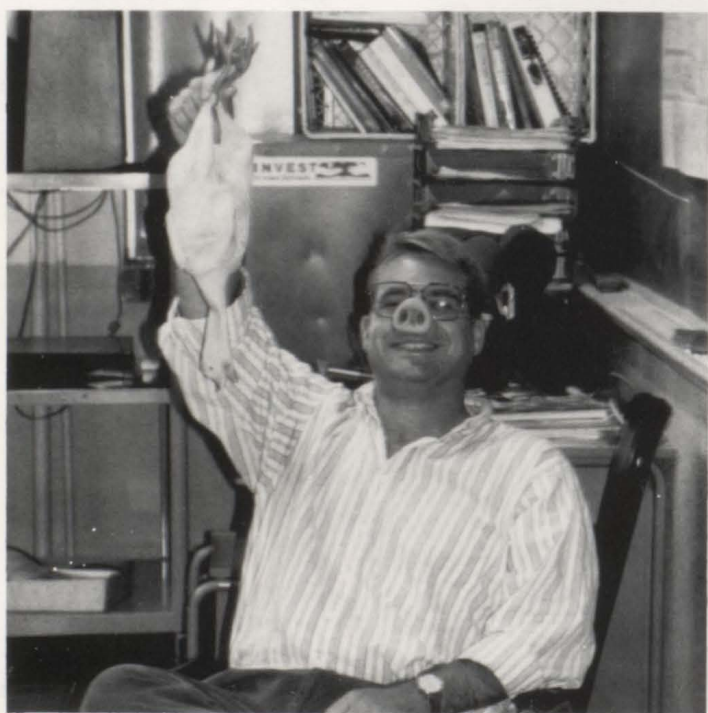

Maybe we just wanted to be remembered after we were gone.

Maybe we just wanted to be heard.

Or maybe we just needed something to talk about.

Something To Talk About

When CHS students have finally hit that note in band or perfected that play in practice, they settle to some serious fun. But sometimes, because of the high level of effort CHS students put into everything they do, it's hard to tell where one ends and the other begins. So while they can be proud of the outstanding quality of their work, CHS students have the added satisfaction of knowing they had fun along the way.

Student Life

"It just feels like home."

Chris Maeder

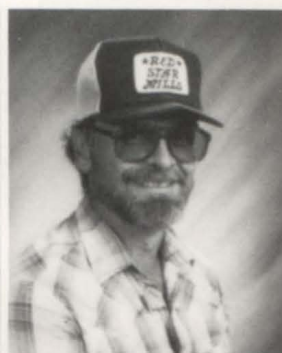

The Ice Cream Bowl brought class against class in bloody battle. Well, not really. Actually, it was just a friendly little game of football that brought Mr. Sivadge's physical education classes together. The Bowl evolved gradually from a game of tag that ended in ice cream and from the fact that, historically, same hour classes have played against each other. This year, the Bowl included all of Mr. Sivadge's physical education classes. On the last day, the competition wrapped up with a trip downtown for ice cream. The Ice Cream Bowl looks to have a long future.

Matt captured our hearts with his infectious grin and outgoing personality. His sparkling blue eyes could make any teacher think he was up to some sort of mischief. And to be honest, he usually was.

He could make us bust a gut laughing. There was something about him that always brought a smile to our faces.

Matt — We will never forget you. All of us at CHS will grow up and move our separate ways. But a part of you will be in each of our hearts. It's an incredible feeling to know that you touched us all the way you did. Thank you for your time with us.

We know that we learn from our peers — but the things we learn don't always pertain to school.

Aside from our studies, we have fun together.

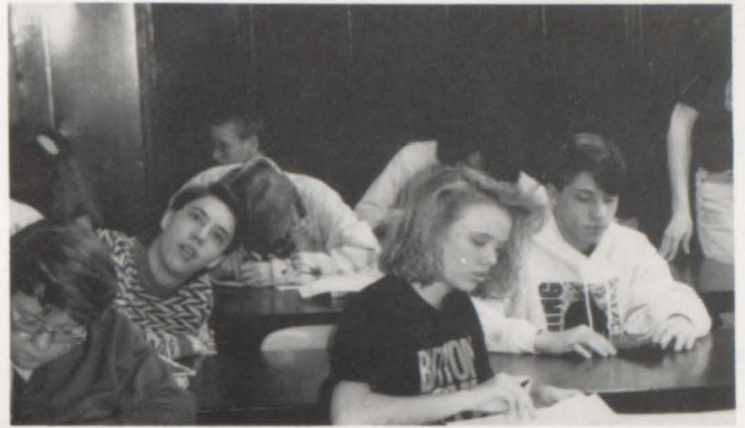

Whether we're gossiping, sleeping on the job, or just being loud, there's one thing for certain —

we love being together.

The '91-'92 boys basketball season was filled with high hopes and vivid dreams. In regular season play, the Raiders were a dominating force, winning eighteen and dropping only one heartbreaker early on to Diagonal. Being rated #1 in Southwest Iowa for a good part of the season was a motivating factor that thrust the team to new heights. Believing we had a chance to do it all, we took things one day at a time, and that was the secret to our success. This strategy seemed to work as we pulled through tight games with Farragut and Fremont-Mills. Everything was in place as we came to tournament time. Unfortunately, we met Fremont-Mills in a crushing loss in the first round. It was a devastating way to end a truly great season. But that's the way the roundball bounces. — Chris Maeder

Joel Boswell, Joni Armstrong, Adam Anderson, Wendy Edsall and Daniel Butcher.

This year saw another successful Future Problem Solving team at Corning High School. All the senior team members had previous state experience. Coached by LeAnn Morris, the team swept the area contest, winning first in all divisions. In all, five Corning teams went to state.

The state F.P.S. Bowl was held in Cedar Rapids on April 24th and 25th. The Fuzzy Situation Problem, which was a team favorite, dealt with the uses of a plot of land in Australia.

Individual Daniel Butcher placed first in the state in the Senior Division. As a result, he was invited to the international competition in Madison, Wisconsin.

Powder Puff Football

The 1991-92 Y-Teen year was packed full of activities. The beginning of the year saw the Big Sis/Little Sis program, designed to help new high school students. The "Pop" and pie party gave the girls and their dads a chance to have fun and play games. The progressive dinner, where the members travel from home to home, sampling food, took place this spring. This year's stops included the homes of Becky, Lisa, Anna, and Jaylene. The annual Powder Puff game took place in the spring, also, with the Pink Panthers beating the Berry-Bashing Brutes 20-0. It was the seniors' first and last win. The Y-Teens' year-long activity was visiting the nursing home each Sunday evening for an hour. This has been done in past years, also, but this year was the first time the Y-Teens were presented a Youth Volunteer Award. What a great year!
