"High school friends & I were coming home from a movie in Creston. Neon pink and green lights moved along with us until we reached Afton. We went inside, and watched the lights hovering over outside for 2 or 3 minutes before the lights dashed away."

—M. Edsall

"My sophomore year at Nebraska Wesleyan, the Dean's secretary had gone into an old office and there she had an alarming experience. The campus was located in a residential area, and thus, surrounded by houses; when the secretary looked outside, though, she saw a cornfield. She also saw, there in that office, a woman dressed in early 20th century clothing. Shaken, she ran from the room to tell people what she had seen. A retired professor showed her an old yearbook, and there she found a picture of the woman she had seen—a former music professor who had died of a heart attack in that same office room many years before. The secretary was never the same, and the ghost of Clara Mills continues to haunt the NWU campus even today."

"I was a camp counselor at Twin Lakes, and there was something strange in the sky. I remember everyone at the camp going outside to see the strange object. I remember seeing sillouettes of the campers cast by the light from the object, but I can't recall what 'it' looked like."

—R. Poen

"When my little brother was two, my mother had him by the hand, taking him off to bed, when suddenly he began to shriek and cry and point one trembling finger at the corner cabinet in the kitchen. No matter what Mom did, she couldn't make him walk close enough to that cabinet to get through the doorway that led to his bedroom. Finally, she had to pick him up and carry him, kicking and terrified, from the room.

"When Mom returned from getting him settled, she seemed quite shaken. Finally, in an unsteady voice, she told us that when she was a child, those cabinets hadn't been there—they'd been built when she was a teenager. When she was eight, that corner had held a rocking chair, and that her stepfather had been found, sitting there, dead."

Go Raiders!
Go Lady Raiders!

Jimmy George, your chemistry class awaits you.

Rhiannon Sash takes her daily turn in the office, helping whenever she can.

No rest for the wicked. Blythe Reynolds, Travis Dobrovolny, and Melissa Eggleston keep hammering away at their assignments.

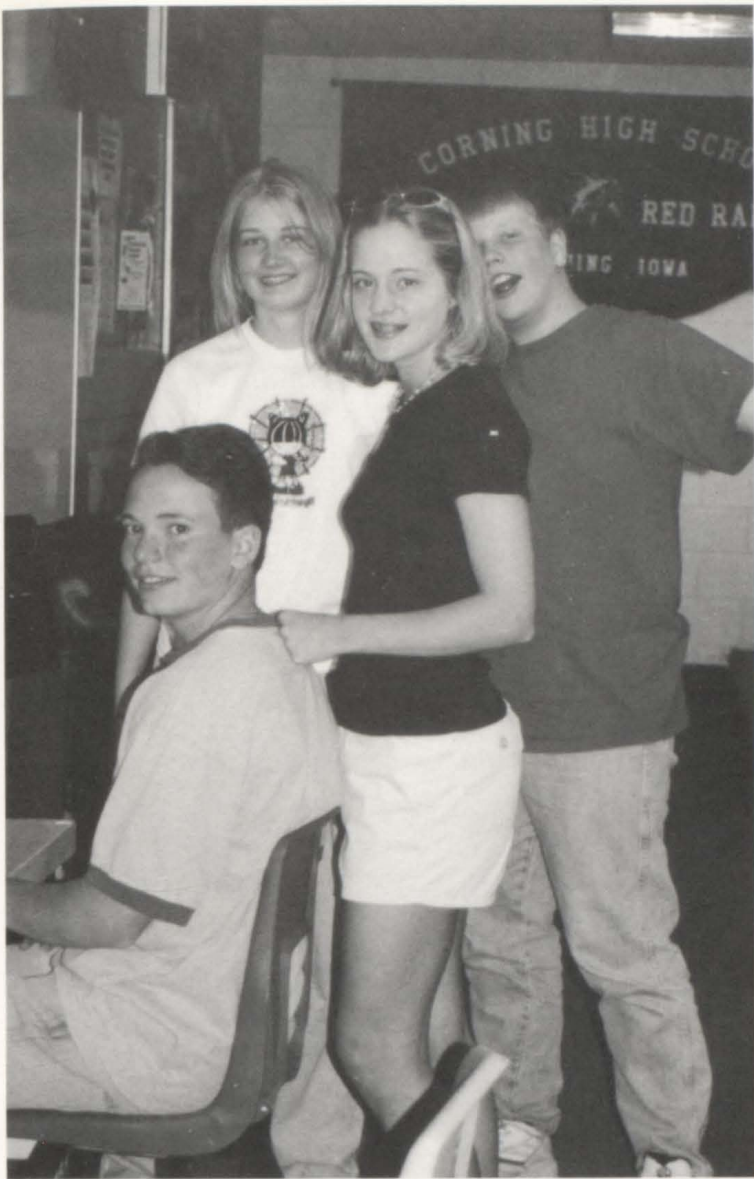

Looking down the stairwell.

Gary Lilly and the holiday spirit. Michael Morris must have forgotten his Santa cap.

Front and center, Ashley Mitchell stays busy. In the background are Mark Petersen, Sam Rice, and Leah Brokaw.

Making sweet music?
Only their music teachers know for sure. Included in this mixed barbershop quartet are Brady Blazek, Candice Kempton, Ashley Hinz, and John Harderson.

At left, 1998-99 Student Senate officers include President Nate Bradley, Vice-president Melinda Bergman, Secretary Jodie Houchin, Treasurer Cody Mercer, Public Relations Coordinator Maisy Dennis, and Scheduled Activities Coordinator Kelly Field.

The Student Senate hosted a blood drive for the first time this year. Pictured below is donor Greg Myers preparing to give blood.

STUDENTS WORKING FOR STUDENTS, LISTENING AND LEADING

Student Senate

1998-99 Student Senate. Front Row: Blythe Reynolds, Kelly Field, Melinda Bergman, Sara Swartz, Michelle Bashor, Jackie Davidson, Nick Wetzel. Second Row: Adam Amdor, Maisy Dennis, Julie Maeder, Tricia Rummer, Becki Reed, Heidi Shires. Back Row: Ann Hinton, Cody Mercer, Jodie Houchin, Nate Bradley, Anne Cline, Teresa Brown. The group is advised by Marsha Edsall.

Just dancin' the night away! It seems to be working for Teresa Brown, Maisy Dennis, and Rhiannon Sash. Behind them, we can just catch a glimpse of Matt Mullen and Mark Maher.

Hey, Zeke Chafa—you're on candid camera!

Mad scientists in the making? Mr. Schaub watches as Jerad Holbrook and April White get the hang of using the Bunsen burner.

Jennifer Lundquist and Betsy Anderson in the hallway between classes.

You know it's Homecoming when you see football players and their coaches wrapping each other up in toilet paper. Looks as though Nate Bradley and Tony Simmons have a slight lead over Mr. Reagan and Mr. Myers.

Okay—we all know it. Carly Means hates to get her picture taken. Not so for Robyn Sederstrom, Heidi Shires, or Nicole Snyder. C'mon, Carly. Show us that smile!

JUST WHEN YOU LEAST EXPECT, WANT, OR NEED IT

It's Snapshot Time

Hey, Tricia Rummer! We're up here.

Khristan Maeder and Amanda Cole never knew the camera was coming.

Florescia Garcia was working in the library when we sneaked up on her.

In this case, WE got surprised by Chris Miller sticking his head out the door.

Okay, Ashley Lawson, stay calm. Kyle Mullen, Shannon James, and Lisa Reid obviously see nothing to worry about.

James Roberts and Tony Walter, the fix-it guys? Can you fix it, guys?

A stat taker's work is never done, is it, Teresa Brown? And who is that hiding behind that cap, anyway?

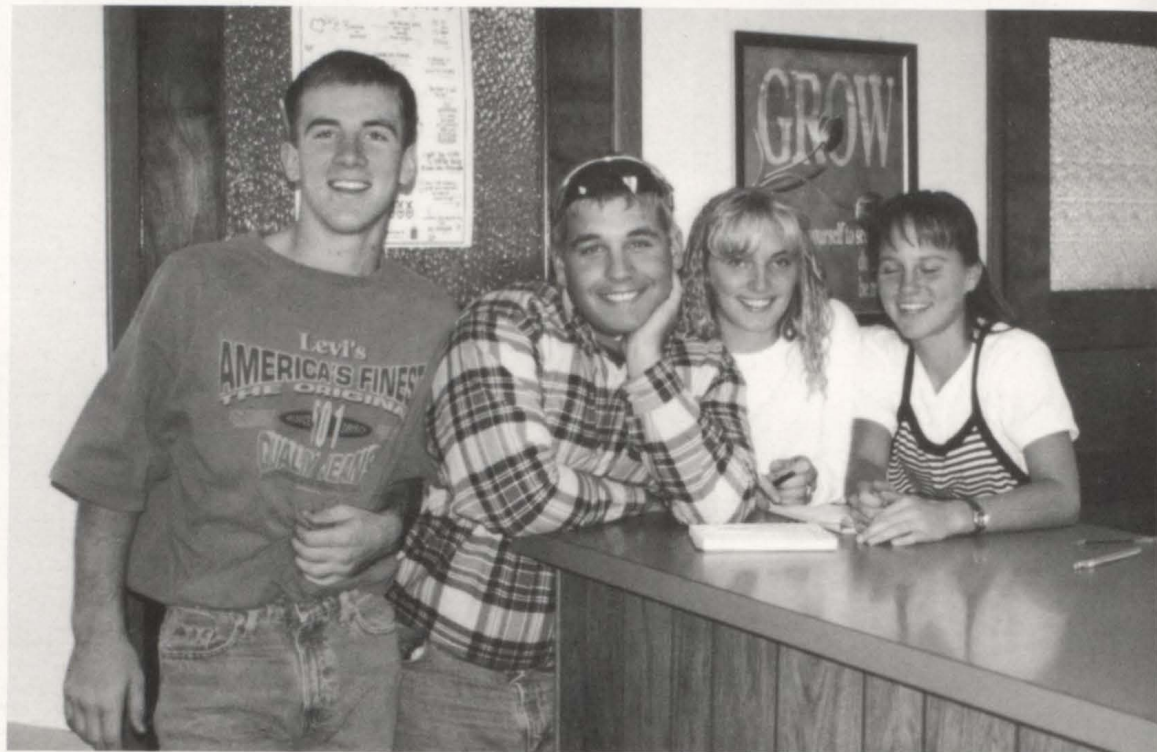

Aaron O'Neill and Mr. Anderson admire the progress of the shed.

What a wild and rowdy bunch in the bleachers tonight!

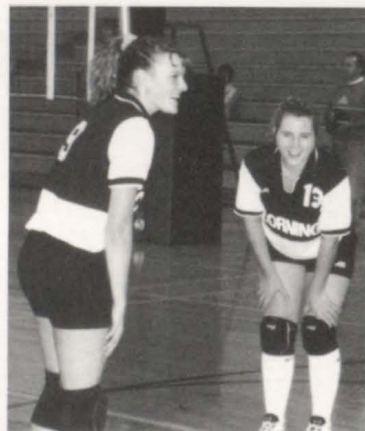

Nate Bradley, Zeke Chafa, Jeni Peterson, and Jordan Stargell are actually holding up that very heavy counter in Karen's office. Without them there—why, who knows what would happen?

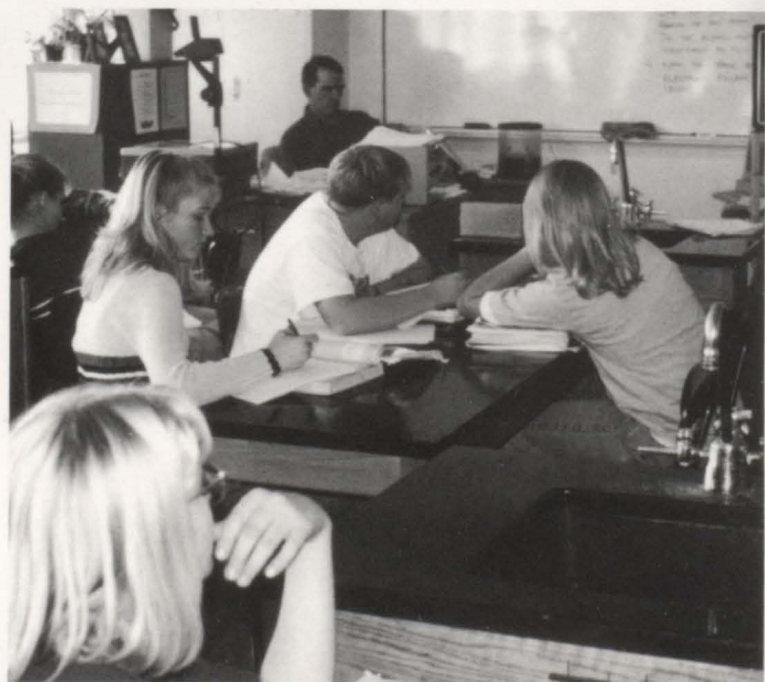

Michelle Bashor makes sure that Mrs. Amdor has plenty of snacks after giving blood.

Volleyball is really a fun game. Just ask Sara Swartz and Jodie Houchin.

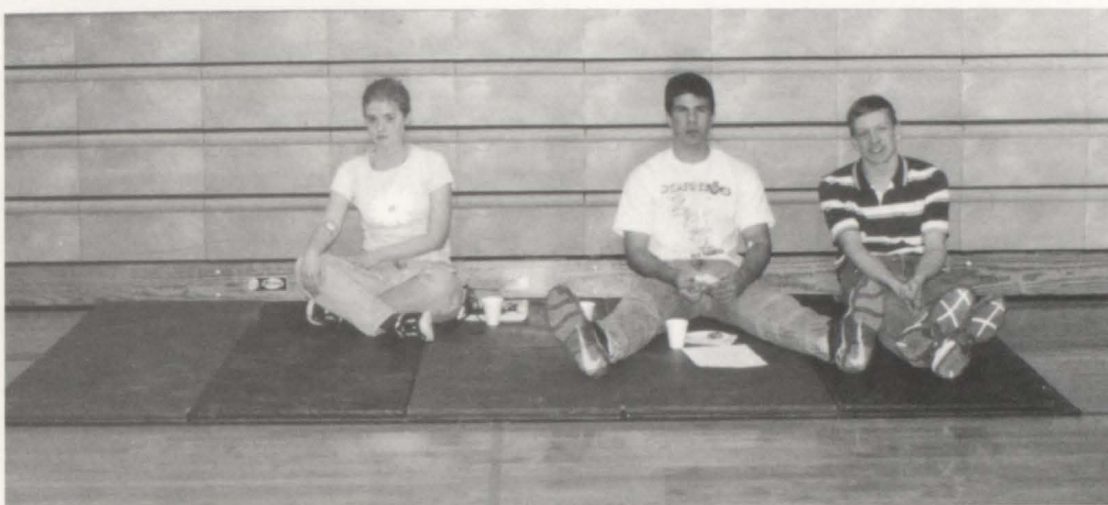

Laura Maeder, Candice Kempton, and John Harderson take notes during a video presentation in physical science.

Jeremy Kingery, David Stormer, Melissa Eggleston, Tricia Rummer, and Sadie Mullen give full attention to Marilea Mullen's hospital presentation during the school-to-work industrial tour.

Melinda Bergman, Mick Gray, and Ashley Mitchell try not to get too crazy.

After donating blood, a person needs a little sit-down time. Candy Edwards, Adam Amdor, and Nick Wetzel agree.

At right—Talking again, huh, Rich? It doesn't appear that Eric Smart's listening to you.

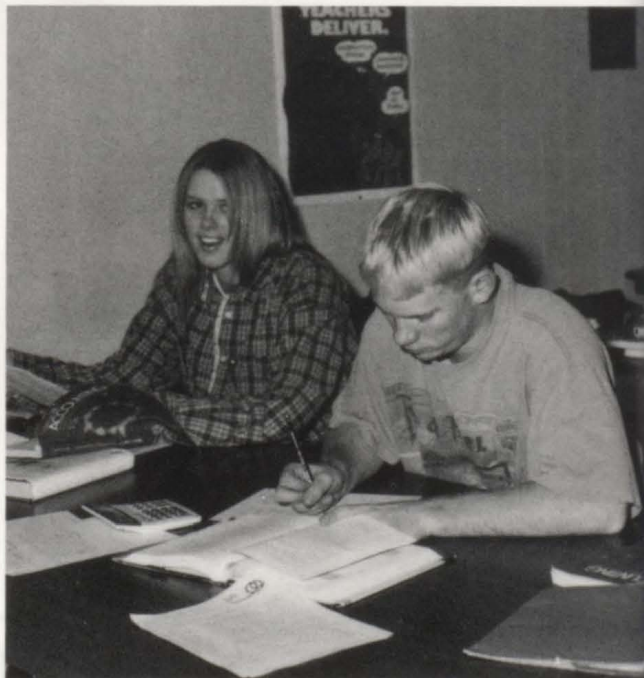

At right—So are you telling us, Brent, that you don't want us to take your picture?

At right—Okay, Hank, Justin, and Matt. What are you trying to talk your way out of this time?

Above—So, Ashley Lawson, we can tell you're glad to see us coming at you with the camera. Smile pretty!

At right—Okay, Laura, what's so funny?

At right—Shhhh! Don't tell Adam we're here, Jessica. Besides, can't you see he's studying?

1697

▶ In 1675, Massachusetts law prohibits men from wearing long hair. Russia taxes men with beards in 1698. Hairstyle is a personal choice today.

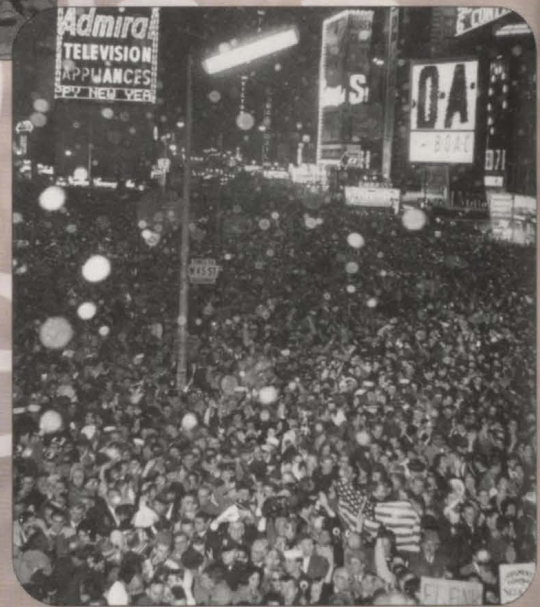

1753

Library of Congress/Corbis

▶ Women first gain the right to vote in New Zealand in 1893, with American women gaining the right in 1920. The voting-age population of the U.S. today is over 193 million.

1899

▶ A 1721 Connecticut law states people may not leave home on Sunday except for church or an emergency. Many stores are now open 24 hours, 7 days a week.

*We live lives of routine,
following in a thousand thousand footsteps,
counting on old friends, old memories.*

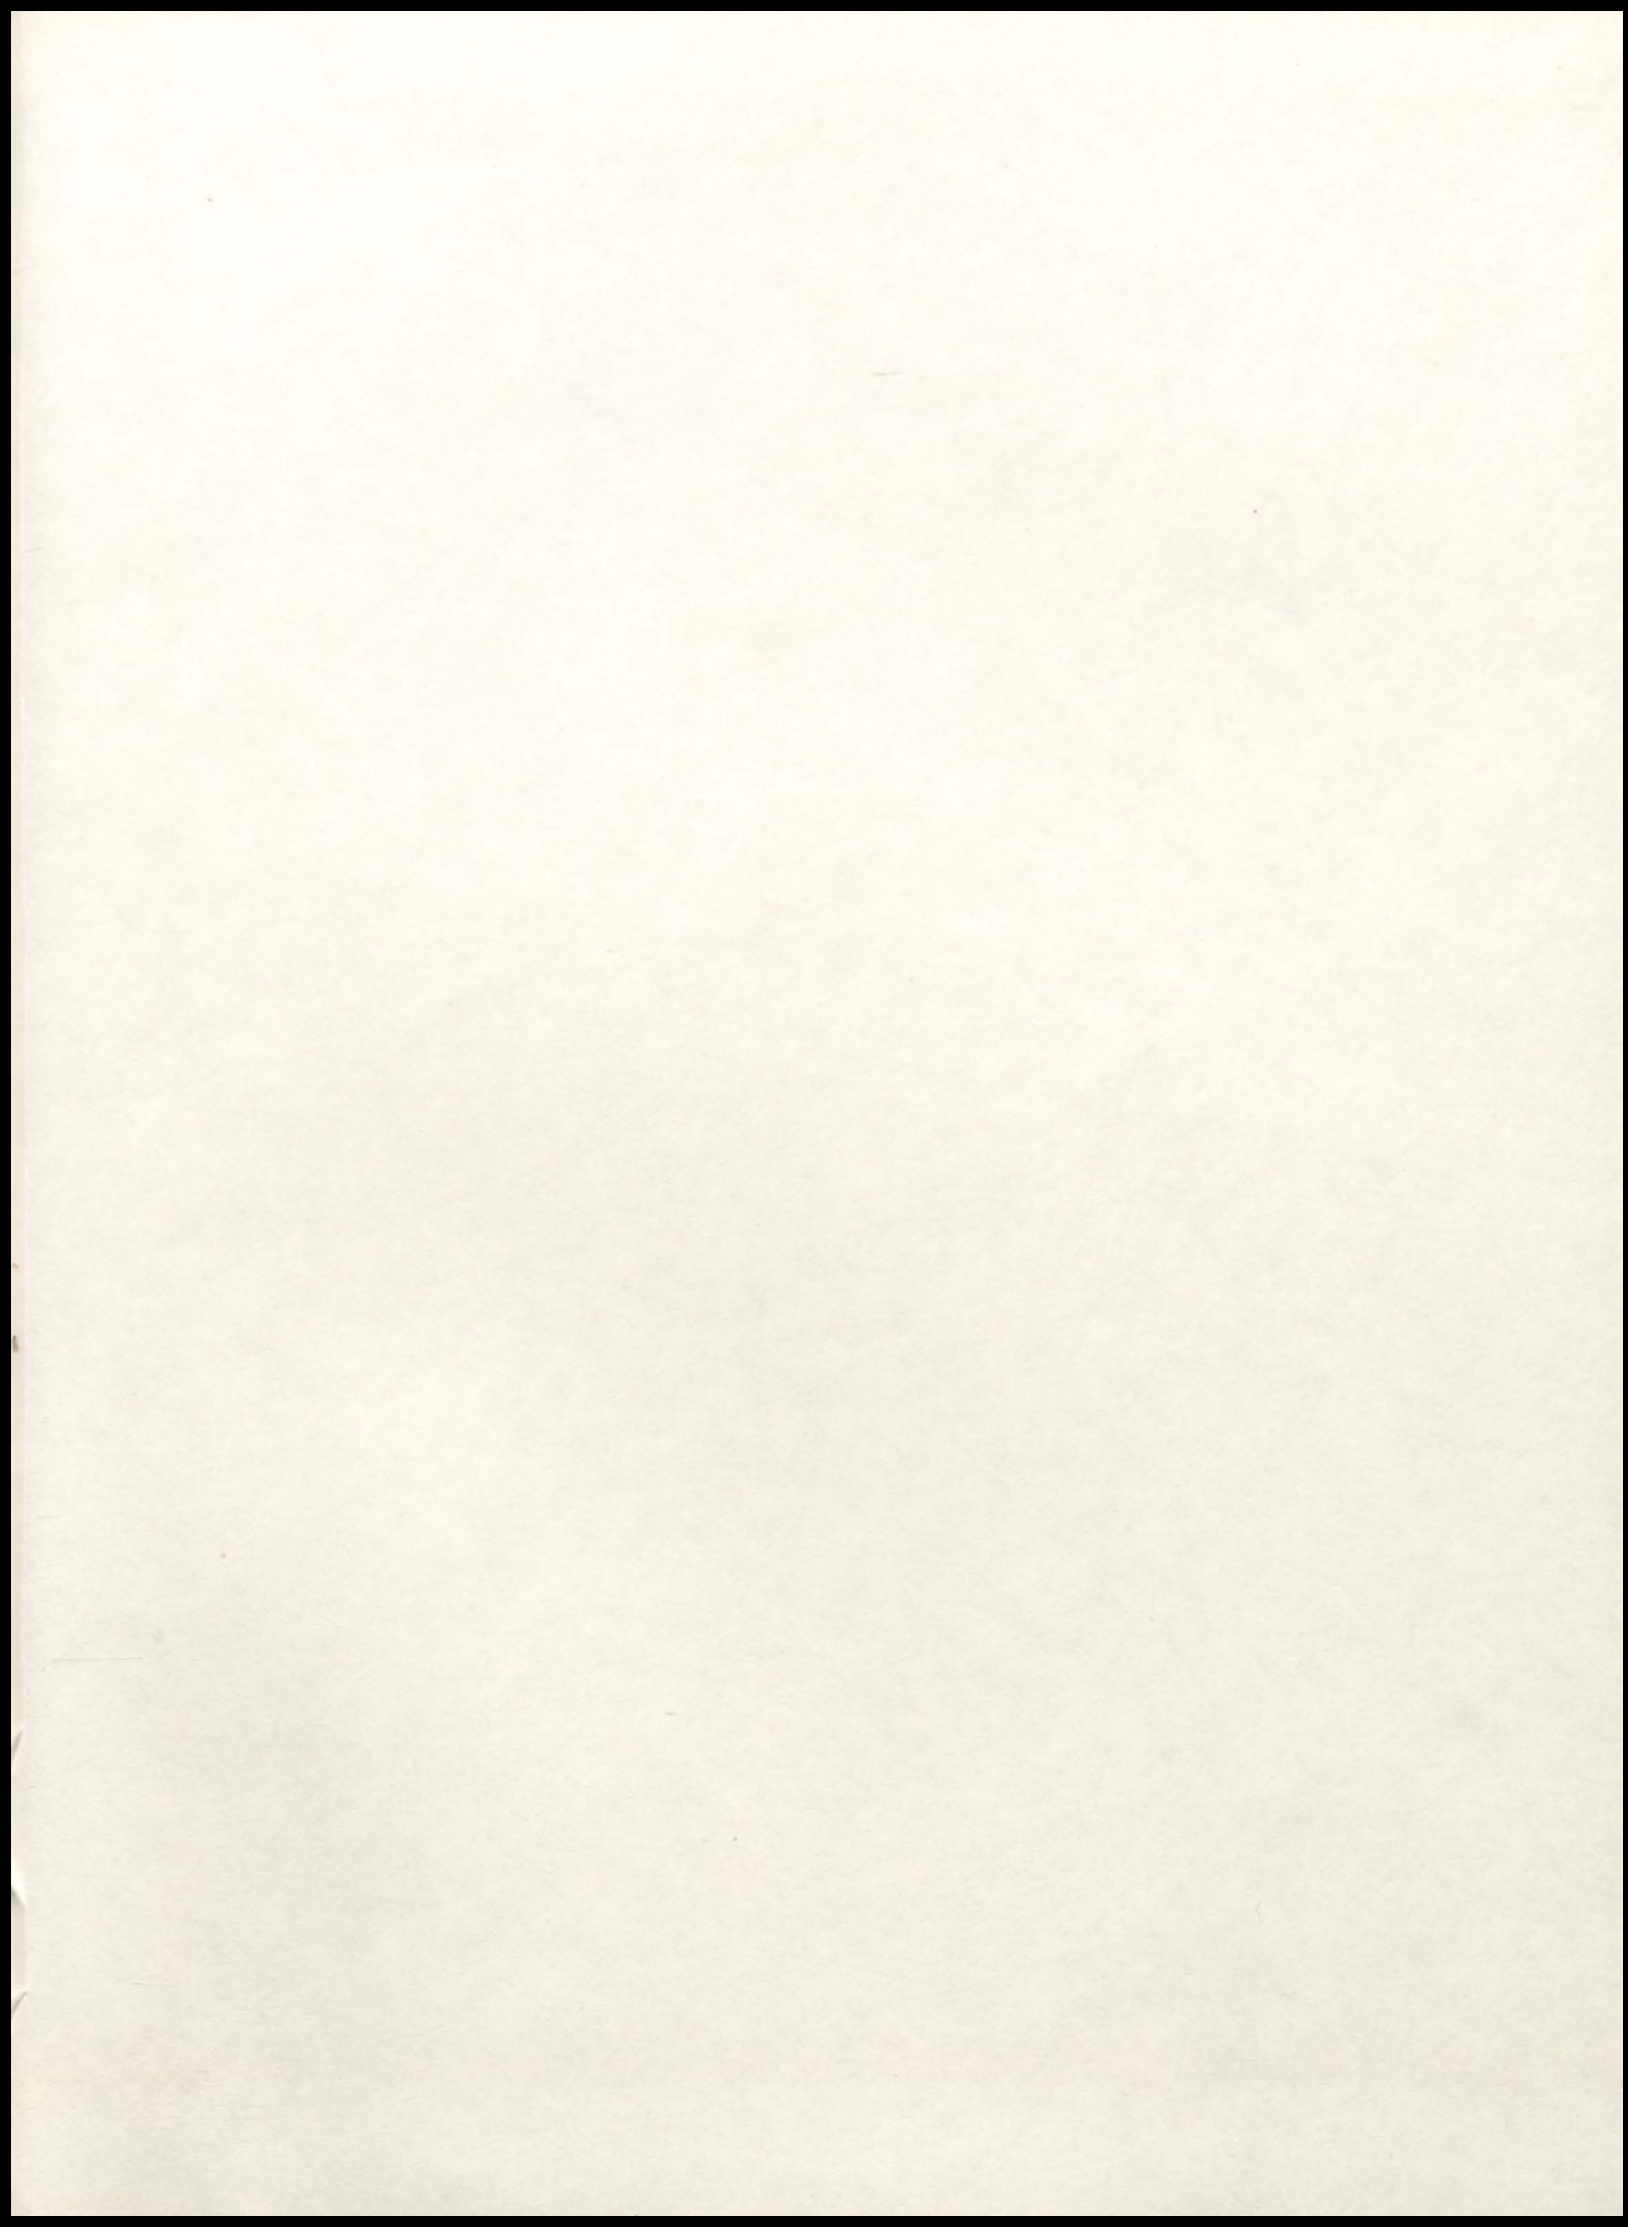

1999 Yearbook Staff, Spring Semester. Jonathan Barton, Kelly Field, Sara Swartz, Jackie Davidson, Jodie Houchin, Brooke McCuen, Trena Green, Robin Trichel. Group advised by Andrea Nett

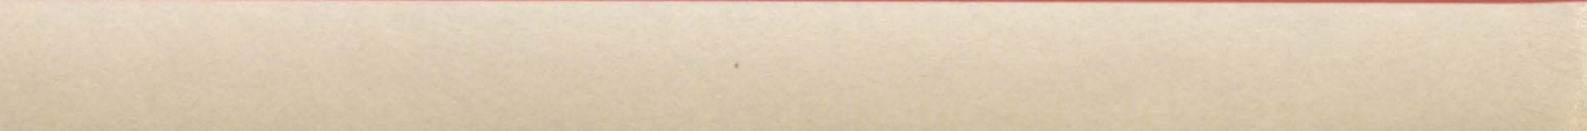

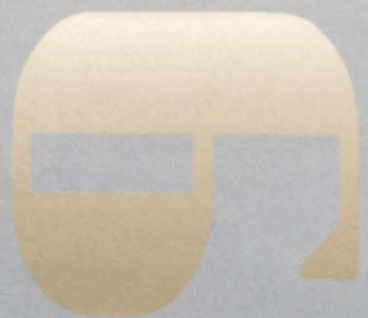

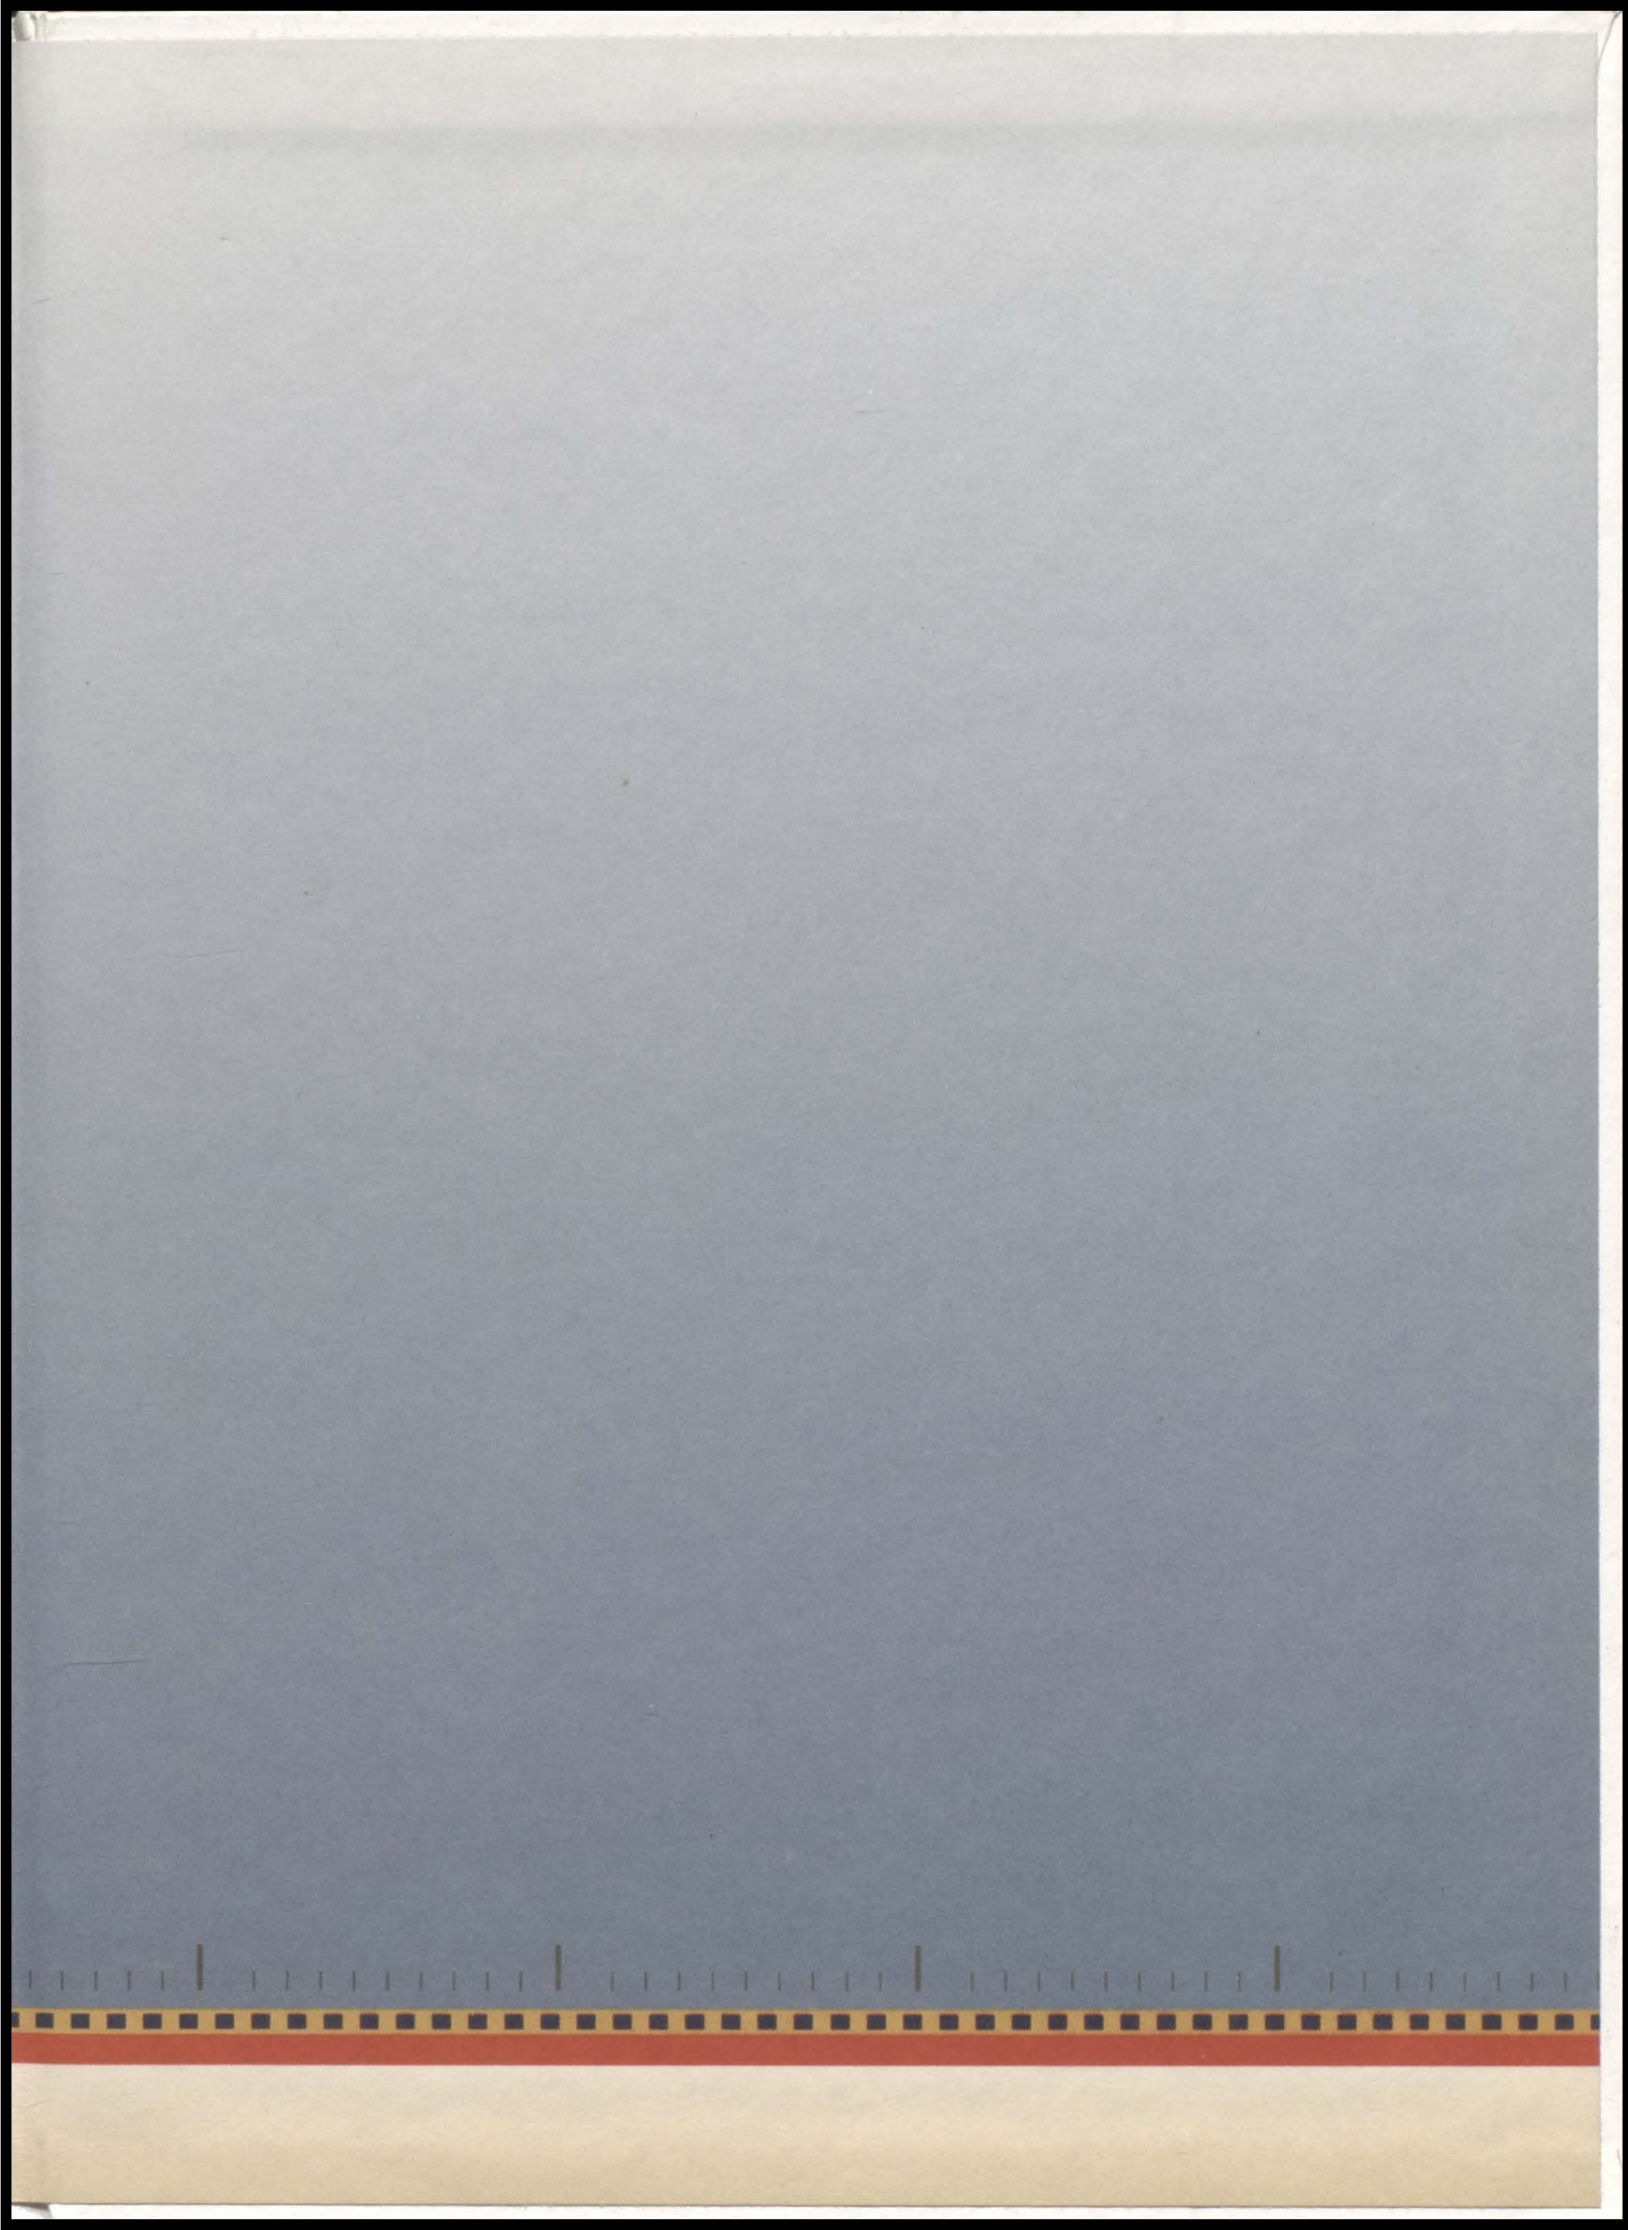

*Now that is changing.
New memories are waiting to be made.*

*It's the end of the world as we know it.
We feel fine.*
