The Class of 2008 dedicates this yearbook, in loving memory, to

Danielle Turlock

Don't think of her as gone away—
Her journey has just begun;
Life holds so many facets—
This earth is only one.

Just think of her as resting
From the sorrows and the tears,
In a place of warmth and comfort,
Where there are no days or years.

Think how she must be wishing
That we could know today,
How nothing but our sadness
Can really pass away!

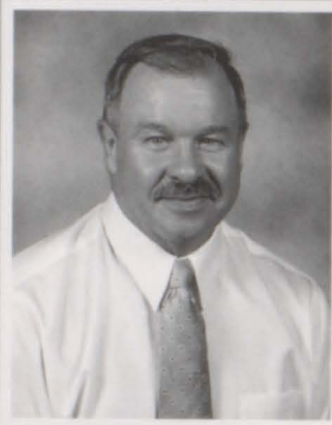

And think of her as living
In the hearts of those she touched,
For nothing loved is ever lost—
And she was loved so much!

Band Trip to Chicago

On the last day of the trip, the band got to enjoy the musical *Wicked* in the beautiful Oriental Theatre and also received a tour of the place.

Posing in downtown Chicago, an artsy city.

The band and colorguard performed at Sears Tower Plaza, where people from even the 64th floor came to watch!

Band students attended a clinic with Dr. Ryan T. Nelson from Northwestern University School of Music.

The meal at Medieval Times consisted of chicken, baked potatoes, soup, garlic bread, and pork ribs. During the meal, the band cheered for its yellow knight to win the tournament.

One of the highlights of the trip was The Blue Man Group. The band had front row seats. The night ended with everyone covered in paint and mashed bananas.

Suzy, Krista, Toshie, and Amanda at the Hard Rock Cafe during lunch. Other dining out options included Gino's East and Ed Debevic's. There was also shopping on the Magnificent Mile and a visit to the Shedd Aquarium.

Students Help in Mexico

Amanda Boswell, Brandi Simpson, Craig Sink, and other students traveled to Xicotepec, Mexico this year to help work on various projects for elementary school students.

Brandi and Amanda pose with fellow workers on top of Teotihuacan.

At the orphanage, every student received a new pair of shoes.

Esmerelda helped Amanda paint her new school.

Amanda and Craig with the children of the indigenous school.

Craig found out that making concrete was a good way to get dirty.

The crew piled in the pick-up after a good day's work.

Craig and another student worker lay concrete at the school.
