Graduation 2012

when we learn
how to fly

As we searched for a theme this year, uncertain as to whether or not we would be the last Corning High School graduating class, we were drawn to the songs of Train, especially "The Finish Line," whose lyrics spoke to us because they captured who we were and how we felt. By the time we learned that another CHS class would, indeed, follow us, we were too attached to what the song meant to us as seniors.

Then, as we made our way through the year, other Train lyrics kept capturing different moments of our lives. These lyrics are placed throughout the book, and we hope you enjoy them as much as we enjoyed realizing how much they meant to us.
