It's The Story...

*...of coming together
to find common ground, to make something lasting.*

*It's the story of finding ourselves in others,
finding we've grown stronger than we thought we could,
finding our wings just as we realized it was time to fly.*

In Loving Memory of Brett Schafer

Friend

A friend has died,
a person we knew.
He seldom lied,
our little boy blue.

Now as we try
to remember the days
of innocent childhood,
his memory stays.

A boy who loved sheep,
a kid who liked horses,
a child who could weep
when he fell and got bruises.

He loved friends and family,
the man with the plan,
and we still remember
the great Marlins fan.

His spirit still lives
inside of us all.
How much he loved life
and the game of baseball.

He'll always be with us.
We'll never forget
his love and his laughter—
our good friend Brett.

Sit right back and you'll hear a tale...

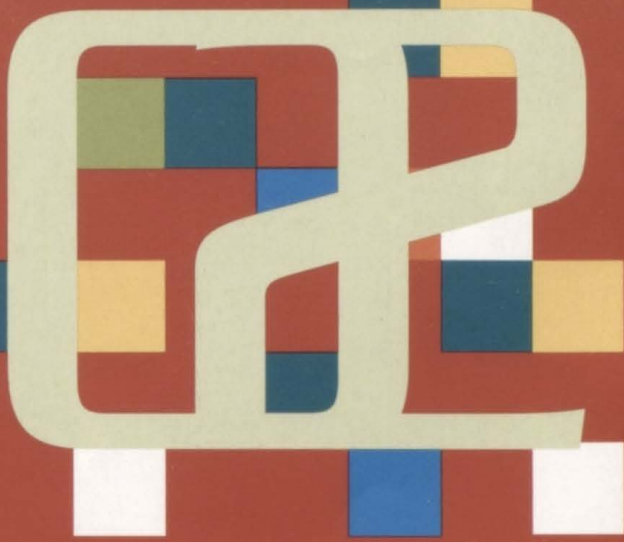

...a tale of deadline madness and proofreading headaches, of picking and choosing just the right picture, just the right theme, just the right caption.

...a tale of dedication, of developing an eye for the perfect picture opportunity. It's a tale of new awareness of talents, of suddenly realizing you're thinking to yourself, "Oh, if the lighting were just a bit brighter."

...a tale of compromise and teamwork, of friendship and trust, of growing and learning, of taking one last, blind leap.

*That's what the yearbook is, has been, will be for each of us.
That's the story we want you to hear.*
