When it began, in the fall of 2013, we came together, **Corning** and **Villisca**, and we tried our hardest to form something new, something better: **Southwest Valley**.

But our roots were strong, and it was difficult to become **Timberwolves** when we'd grown up as **Red Raiders** or **Bluejays**. And we often found ourselves falling back into those old, familiar groups.

# BLENDED

## Media Staff

Spring Semester

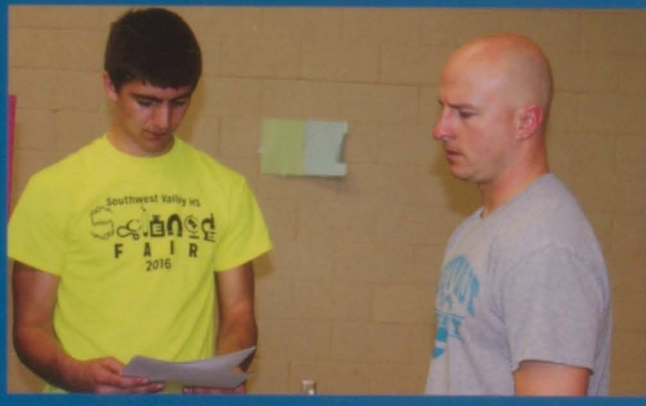

But months passed and years passed, and friendships changed and new friendships were forged, and we watched the underclassmen become unified, become **Timberwolves**.

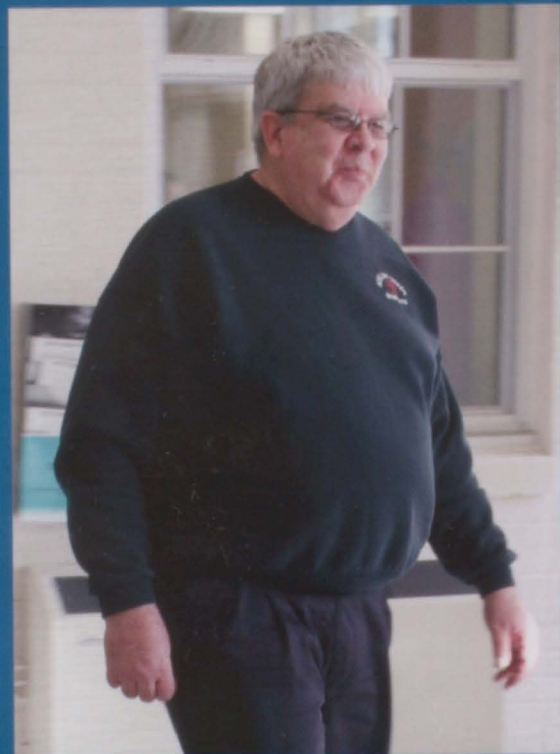

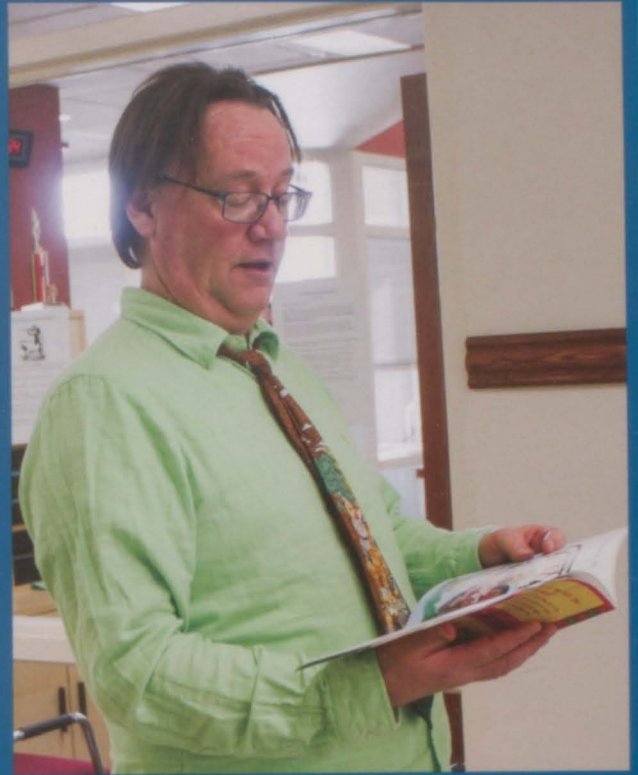

And somewhere along the way, we realized that we'd blended, too, that **Southwest Valley** had happened without our noticing.
